

Looking Ahead Fifty Years

By Roger W. Babson

Published by Harper and Brothers Publishing Company, New York, 1942,
copy 2

<http://babsc.iii.com/record=b1091830~S0>

Babson uses his business and public experiences to form predictions in this book as to the government's development, scientific exploration, and the key political and social issues that will impact the masses in future years. He extends his business forecasting skills into varied realms such as farming, warfare and religion.
