

***Recent Labor Progress***

**By Roger W. Babson**

**Published by Fleming H. Revell Publishing Company, 1924**

**<http://babsc.iii.com/record=b1089331~S0>**

The second volume of a series Babson published every four years, this book deals with the work of the Federal Government with regard to labor. He advocates for increased funds for the Department of Labor and expansion of the Bureaus.
