

The Folly of Installment Buying

By Roger W. Babson

Published by the Frederick A. Stokes Company, New York, 1938

<http://babsc.iii.com/record=b1089020~S0>

This book teaches the lessons of installment buying, giving a comprehensive analysis of its history, its function (and abuse) in business, and its influence on labor issues and loans.

Babson College Archives copy: Purchased by the Babson College Library

5 x 7 1/2", red cloth cover with orange paper jacket, 248 pp.
