Sigma Phi Epsilon Fraternity was established at Babson College in 1994. The aim of our fraternity is to promote virtue, diligence, and brotherly love through brotherhood. Some of our activities include volunteer service, ropes courses, paintball, and various sporting events. We have received the Philanthropic Award for our community service efforts. Since our inception, we have won Greek Week every year as well as the academic award for achieving the highest GPA of all fraternities and sororities on campus. Our future plans are to continue our community service work as well as redefine the meaning of fraternities by maintaining the largest and strongest chapter on the Babson College campus.
Kappa Kappa Gamma is an international women's fraternity founded on October 13, 1870 at Monmouth College in Illinois. Kappa was founded at Babson in 1980 and has a tower on campus designated for archives and meetings. The president is Kim Johnson. The chapter participated in various philanthropic activities, such as sponsoring a Haunted House for the Barton Road children. The women of Kappa Kappa Gamma also represented Babson in the Wellesley parade along with other Greek organizations. Kappa sponsored its annual Winter formal and spring Semiformal along with other social functions that included other Greeks and non-Greeks. All of these activities enable Kappa to work together to form a close group of women brought together through friendship, integrity, and respect.
Alpha Kappa Psi is a coeducational, professional, business fraternity which was established at Babson in 1954. The aims of our fraternity is to further economic literacy to the end that business methods may be improved in the Babson community and to promote a higher level of social prosperity. Our future plans include increasing revenues from fraternity operated businesses and increasing awareness of a progressive social life at a business school. Activities accomplished include community service, a trip to Mardi Gras New Orleans '96, and educational assistance to underclassmen. Perhaps the biggest event of the year was the 70's party where everyone came dressed in the clothing of that decade.
Theta Chi Fraternity was established at Babson College in 1971. As we enter into our twenty-fifth year at Babson, the goals and integrity of the Brotherhood have remained unchanged. The aim of our fraternity is striving to promote the idea of “Strength Through Brotherhood,” along with maintaining a strong presence of scholarship and academics within our motto, “Alma Mater First, and theta Chi for Alma Mater.” Our philanthropic activities include the semiannual Blood Drive for the American Red Cross, Adopt-A-Highway, Walk-for-Hunger, and the Couch-A-Thon which has benefited both the Make-A-Wish foundation and Ronald McDonald House. THETA CHI FOR LIFE!
