Dedication
Mrs. Linda Adams

It's action that counts. Action is finding 2907 part-time jobs for Babson students. That's what Linda Adams did during the academic year 70-71. And that doesn't include any evening or weekend jobs.
Action is expanding the number of student jobs by almost 50% per year. This is what Linda Adams has done.
She came to Babson 17 years ago because she's not the type of woman to stay home. She came to Babson 17 years ago and became totally involved. It's action that counts.

— Margaret Marr
