

*Washington and the Revolutionists: A Characterization of Recovery Policies  
and of the People Who are Giving them Effect*

By Roger W. Babson

Published by Harper & Brothers Publishing Company, New York, 1934

<http://babsc.iii.com/record=b1089955~S0>

In this book, the fourth volume of Babson's series about the American government, he focuses on the Department of Labor during the Roosevelt administration and describes the Revolutionists' movement toward a new era of social, business, and investment success.
