1981-82 has been a very eventful year for Sigma Kappa. We welcomed 16 new initiates bringing membership in the Zeta Zeta chapter to 39 sisters.

Looking back at the year it's evident that Sigma Kappa is always growing and changing. We pride ourselves on remaining individuals and being highly involved. But no matter what we do we share a bond of understanding and friendship, called sisterhood, which can only be understood by a Sigma. We look forward to an exciting new year in our new tower in Canfield, but our graduating seniors will be missed. To Deb, Beth, Andrea, Lori, Jeanne, Linda, Debbie, Judy, Dee, Viv, Joan, Andrea, and Roberta, we wish you the very best. And to our newest sisters, we welcome you into the mystic bond of Sigma Kappa.
1981-1982 was another banner year for the Zeta Beta Tau. This year saw the clinching of our second consecutive "JOCK" Trophy, as well as our third straight undefeated basketball season and our first football championship. This year also saw ZBT win the MOST IMPROVED CHAPTER AWARD from our national. The future looks bright for the 1982-1983 season, as the Spring 1982 pledge class was one of our largest ever.
