This year has been one full of success and change for BISO. The direction of the organization has once again broadened its focus by including many other events not offered in recent years. In an attempt to diversify from our usual organization activities, we included sports events, like Soccer and Volleyball tournaments, cultural events, like the trip to the Museum of Fine Arts, and co-sponsored other events with such organizations as Student Government, The Babson Dance Ensemble, The Mens Volleyball Team and ZBT.

Besides these new activities, BISO held its annual events that its members always enjoy. These include: The Fashion Show, which donated $500 this year to the Aids Action Committee. The Ski Trip to Killington Vermont which was the largest turn out ever for this event. The Car Rally that was enjoyable regardless of the bad weather. And The Spring Soiree, which was successful after a weak turn out last year.

And what would BISO be without its two most famous aspects, its free and reduced entrances to such clubs as Avalon, M-80, Venius di Milo, and Club Nicole, as well as the ever popular BISO Breaks. Looking Back, it has been an exciting as well as active year for BISO which will be fondly remembered by all of those involved in the organization which once again was voted Organization of the Year, for the fourth year in a row!
