"The greatest things in life are
the simplest;
The most powerful things are the
tenderest;
The greatest force is love,
And the greatest asset is
FRIENDSHIP."
R.W. Babson

With mucho love and thanks for making my senior
year at Babson my most memorable one!

Love always,
CAROLE

We came to Babson as strangers
questioning, seeking,
apprehensive of what lie ahead

From varied backgrounds
we became a part of a campus
steeped in tradition
with great potential
for growth and change

We laughed
We loved
We cried
We learned
We grew together

We made a commitment that a community
with a defined management purpose
alive with activities
would benefit
from our dedicated involvement

We have experienced a unique sharing
pooling our interests
and enriching ourselves
and our community

Entwined in this College of experiences
we touched Babson
and Babson became
a part of our lives...
forever.

Wishing only the best
to the class of 1978,
DELBERT L. ADAMS
