We cannot afford to be innocent

It's a do or die situation
We will be invincible

Although the record of the 1984 men's soccer team was sub-par compared to past years, the amount of determination and talent was equal to, and sometimes better than some previously coached Rogers' teams.

The game that most typified their determination was the annual shootout with Brandeis. Babo had everything stacked up against them. They were only 7-5-2 at that point and not going to the NCAA's; Brandeis had one of the most potent scorers in Division 3 — Jeff Steinberg — and a stonewall type goalkeeper — Jim Leahy. Our team could have folded, but they stood strong and registered the most important victory of the season.

The first half went scoreless, but then in the second half sophomore sensation Dan Caldicott scored what would prove to be the game winner. The game was marked by some spectacular performances. Sophomore goalie Dan Poulin shot down their offense with the help of senior Tim Smith and Captain Mark Sullivan. This win warmed the hearts of every Babson fan and especially Coach Rogers, who had to endure a very frustrating year.

Even though they did not go to the post-season tournament the talent on this team was extraordinary. The team was anchored by its superb defensive play. Goalies Bob Muscaro and Dan Poulin were the backbone of this unit. Defensive ace Mark Sullivan was just awesome at fullback. Seniors Tim Smith, Bob Galusza, Shaun Cunningham, and Brady Bohrmann provided great leadership in addi-
tion to their steady play. Other players who were instrumental in the team's wins were Gerald Fili-
pone, Rob Rocheleau, Gino DiStefano. Let us congratulate the team on a very successful year. Al-
though their record did not show it, we all know who the best soccer team is! And come 1985 so will the rest of the country.

As Babson College builds for the future, so does the Women's Varsity Soccer Team. With a collection of talented newcomers, under the direction of first year coach Judy Blinstrub, the women posted outstanding victories over several fierce competitors. Key wins included a 2-1 victory over Bates College, a 5-4 win over Mount Holyoke and a final season 6-1 triumph, over Wheaton College. Although the season ended with only a 5-7-1 record, outstanding performances were turned in by freshmen Julie Doscher and Jennifer Gottberg.

Next year's team, led by co-captains Tricia Browne and Denise
Cohen, shows exceptional promise. To the three graduating seniors, Libby Brine, Judy Pearson, and Beth Wood, we thank you for your support and guidance, wishing you all the best of luck.
