life
fall . . .

With the fall of 1964 came the newest addition to the Babson Campus, the Gordon Trim Dining Hall, fondly called the “Trim Inn” . . . As the new dining hall was being christened, many students showed their preference for the nutritious food and efficient Snack Bar . . . Fall Weekend, with its annual Homecoming Day was soon enjoyed by many . . . Among the festivities of Fall Weekend, was the soccer game with Babson meeting Clark . . . Heated arguments concerning the upcoming National Elections were as much a part of campus life as was the dreaded Computer Fundamentals . . . Of course, many enjoyed the annual Phoenician Ball, sponsored by Alpha Kappa Psi . . . The Sports Car Club sponsored one of its ever popular Gymkhanas . . . Something new to the Babson Campus was a Thanksgiving Dance sponsored by the Freshmen . . . Delta Sig’s Purple Garter proved to be a good night . . .
Winter . . . The conclusion of the Fall Term produced an extremely high number of students on academic probation . . . A new basketball team was in the making . . . The freshmen were no longer treated with indifference and disrespect . . . In fact, the three fraternities went to extremes to please the freshmen . . . Rush parties started off the social season . . . Winter Weekend came on strong with large crowds attending all of the functions . . . Of course, there were many closed parties sponsored by the fraternities . . . The winter seemed to be an extremely bookish one with half of the student body fighting to get off academic probation . . . Intramural basketball was in full swing as was interfraternity basketball . . .
Spring . . . With the warm weather came the cold beers . . . The constant line of cars leaving the Babson Campus bound for neighboring campuses continued all evening long . . . Delta Sig's Purple Garter and AKPs' trips to the Cape kept the campus socially active . . . Spring weekend, as big as ever, continued the social activities . . . The beach party sponsored by the Class of 66 was a great success . . . Finals caught everyone by surprise . . . The Seniors made their farewell . . .

organizations
The Babson Chapter of the Society for Advancement of Management once again attained its high goals of quality and excellence among business organizations.

The year began in a most auspicious manner with the new slate of officers outlining an agenda of fall term activities which included a most successful open meeting, several field trips, speaker meetings, and of course one of our famous S.A.M. banquets.

The winter term was highlighted by the annual S.A.M. all day conference, the title of which was "The Credentials of an Executive." The program began with an all school assembly, at which the guest was the well known President of the Hotel Corporation of America, Mr. Roger Sonnabend. The rest of the day's program included Mr. Thomas, an Assistant Attorney General of the Commonwealth, who spoke about law and business as a background for the executive.

The conference concluded with a panel discussion moderated by Dr. Carpenter, and composed of Miss Kebbe, Mr. Paul Sonnabend, Vice-President of Hotel Corporation of America, and Mr. Robert Feinberg, a retail chain store president. Their discussion centered on the qualities that employers look for in college students.

This most rewarding year drew to a close after field trips to Sylvania Corporation and the ever popular Carling's Brewery, several speaker meetings, and the installation of fourteen new members, assuring a continuing leadership of S.A.M. on the Babson Campus.
Circle K continued to grow in numbers and in strength in the Babson community during its second year. As a maturing club on the campus, the Circle K membership concentrated on expanding its activities over the three terms.

The Welcoming Committee gave hundreds of tours to prospective students again this year. Despite occasional upsets in the communications with the Admissions Office, members have provided all students considering Babson with a tour of the campus. Reaction to these tours has been very favorable by the students visiting our campus and the club hopes to continue this function next year.

In addition to the campus tours, Circle K helped the Veteran's Club with its blood drive in the Fall Term. On their own, the club conducted a carwash, helped out at each registration, and gave assistance to the American Cancer Society in their annual fund-raising drive.

At the beginning of the Spring Term, the Babson chapter sent twelve delegates to the Circle K International District Convention in Hartford. Since we believe that an organization is only as good as its leaders, the two voting delegates tell us that by 5:30 A.M. Sunday morning they had made very careful decisions about all the candidates.

Circle K looks forward to many service projects in the coming year, starting with work on the orientation program. In addition, the club hopes to adopt an American Child and start a scholarship fund in the near future.

fraternities
The Brotherhood of Alpha Delta Sigma completed its 24th successful year on the Babson Institute campus academically, professionally, and socially.

During the Fall term, featured speakers from several large corporations located in the Boston area visited the Brotherhood. The highlight of this term, as is every year, was the Roy A. Gartner Christmas Party held for the orphans of the Rebecca Pomroy House in Newton. The entire Brotherhood found that the hearty laugh of “Santa” and the laughter and smiles he brought to these children made the spirit of Christmas more rewarding.

The winter term provided Alpha Delta Sigma with many activities. Winter term rushing was one of the most successful in recent years. Fifteen students and three faculty members were initiated into Brotherhood. Winter Weekend was the highlight of the term. The excellent entertainment plus the informal parties at the Cambridge Motor Inn made this a weekend to remember in A.D.S. history.

The Spring term was filled with even more increased activity. The Eastern Regional Convention of Alpha Delta Sigma was hosted by our Chapter on the Babson Campus during the weekend of April 9 and 10. During the same weekend, A.D.S. sponsored its annual “All-School Dance” at the Sherry Biltmore Hotel.

alpha delta sigma
alpha kappa psi

Alpha Kappa Psi, under the leadership of Lon Peek, enjoyed one of its most successful years in the history of the Babson Campus. Quietly active, the fraternity greeted the Fall Term with closed parties every weekend. Of course, the Phoenician Ball, sponsored by the Brothers, was enjoyed by the entire campus. The Fall pledge class, the largest full class in AKPsi's history, was by far the best group of men ever initiated into any organization. An excellent program of field trips and speakers fulfilled the professional aspects of the fraternity.

Throughout the winter AKPsi held many closed parties. Rushing was fruitful; a select group of young men were initiated. The winter social season was highlighted by the closed parties held at the Charter House, which was rented by the fraternity during Winter Weekend. With its usual determination, the AKPsi basketball team, a 30-point underdog, gave a whale of a fight to the favored fraternity losing only in the final two seconds. AKPsi soon had its revenge, however, when the fraternity softball team, again the underdog, handily defeated both fraternities.

The spring was "social" for AKPsi, with beach parties held every weekend at Brothers Weiss' and Regan's summer homes. Of course, closed Saturday night parties were frequent.

All in all, Alpha Kappa Psi had a most successful year, with an even better year soon to come.
Delta Sigma Pi

Delta Sigma Pi, under the able leadership of the executive committee, had another successful year, both socially and professionally. As pacesetters on our campus, the Gamma Upsilon Chapter initiated a pledge program unparalleled in success with twenty-seven pledges entering the brotherhood. During the year, Delta Sig, as in previous years, took an active part in campus and civic affairs, balancing this with an active social agenda, the former being exemplified by holding benefit operations such as a car wash and assisting a needy family in having a Thanksgiving meal.

The Purple Garter, in the fall and spring, showed all of Babson Institute an unusually good time and also initiated the Fraternity’s events. Trips to the Cape and other numerous parties provided for unequaled enjoyment and met with everyone’s liking.

In interfraternity sports, the Delta Sig Tigers again remained on top, losing only one game, thus allowing the coveted Fraternity Athletic Award to remain in the possession of the victors.

In keeping with the objectives of a business fraternity, Delta Sig maintained an equilibrium between social and professional activities with trips to leading business establishments. Integrated with the field trips was a varied and comprehensive speaker program.
sports
Hopes were high for this year’s soccer team as it was reviewed before the season began. Led by co-captains Mal Cook and Tom Morris, and returning lettermen Brian Barefoot, Chad Giroux, Charlie Cutler, Fred Heap, Ron Weiner, and Gary Reynolds, the team was looking forward to a successful year. They had a new head coach in Harry Murphy, who himself was a professional star of note.

Several outstanding freshmen showed up and spirit rose. However, several key injuries limited the manpower of the Beavers and they were forced to play with the bare minimum on several occasions. Moise Elga was easily the outstanding player for the booters as he led the team in scoring from his center forward post and was named outstanding player on the squad. John Fazio, Bob Fiestal and Bob Stevenson were other outstanding newcomers.

The team defeated Assumption 4-1 and tied Brandeis 2-2 in two outstanding performances. The highlight of the season came on homecoming weekend as the Beavers held a powerful Clark University eleven to a scoreless tie. Led by the outstanding goal tending of Brian Barefoot the team demonstrated it had the ability when all hands were healthy. They dropped close games to Boston University and Bates College that could have been won with a little luck.

The play of the co-captains Cook and Morris was outstanding throughout the season and they are to be complimented. The outlook for next season is very bright with the entire front line returning and the defense being led by co-captains elect Ron Weiner and Brian Barefoot. This past season must be considered successful under the adverse conditions in which they played.
basketball

Babson basketball hit hard in 1964, and Coach Tom Smith, fielding an experienced team, looked forward to Babson’s first winning season in many years. Upon returning from Christmas vacation, however, he found nine of his top eleven players had been declared ineligible because of grades. Having to field a patchwork team, the squad still managed to provide spectators with many thrills throughout the season, although not winning many games.

The team compiled a 2-13 mark defeating St. Francis College and the alumni in easy victories. In their other encounters they were outclassed although THEY NEVER QUIT BATTLING. Junior Randy Polen led the Beavers with his outstanding play. He established a new single game and season scoring record when he hit for 41 points in a contest against Gordon College. Backcourt man Ron Nathan was also outstanding on occasion but his play was inconsistent on many occasions. Freshman Bob King had many good games but seemed to be hampered by inexperience. Center Carl Todt led the team in rebounding and had a great game against Bryant College when he pulled down 27 rebounds and tallied 25 points.

With this entire nucleus returning next year and the added strength of lettermen from past years, the team should be powerful. They will be playing in the newly formed league and should be considered a real threat to capture the league title in its first year. Here is hoping there are no more academic disasters such as was experienced this past season.

Coach Smith deserves much credit for giving this school a team which fought hard and never gave up despite being outclassed.
The varsity golf team under Coach Tom Smith enjoyed its most successful season in history, closing with a thirteen win and three loss record. The three losses all came by scores of 4-3.

The teams started by finishing third in the Lidlifter Tournament at Wellesley Country Club in terrible weather. In this match they lost two of their three matches. The other defeat was suffered at the hands of Bates on a course consisting of sand and gravel in the rain.

Paced by Captain John Sturman, and most valuable player Guy Jacques-Dalcroze, the team was truly a powerhouse. Other outstanding members were Bob King, Les Dearborn, John Thayer, Casey Carmel, Mark Ricci, Glen Relyea, and Frank DeMambro.

The team finished poorly in the New England championships mainly because both King and Dearborn were ineligible because of their freshman status. Next season appears to find Babson fielding the outstanding team in the Boston area. Only captain Sturman is graduating and there should be some outstanding freshmen to compete for the opening.
Babson swimming took a turn for the better during the past season. Led by Captain John Lundy and newcomer Steve Smith the team managed to win a meet.

The team was once again handicapped by lack of depth as they usually took more first places than their opponents but never had the men to capture the seconds and thirds.

Al Whipple, Jim Potter, and Bruce Hubbard added strength in the freestyle and diving events. They worked very hard during the season, a season which saw every Babson record broken but one. Smith was responsible for all of these records which is why he was elected captain for next year and also received the Ewart Memorial Trophy as the outstanding swimmer at the Institute. Smith garnered 20 first places in 24 attempts and finished second or third in the other four races.

One might say that Smith was the whole team, but the spirit and enthusiasm displayed by the other members were instrumental in the success of the team. Prospects for next season appear to be excellent.
This year's sailing team was somewhat of a disappointment after their McMillan Cup winning of last year. They sailed in many races in the area but were never able to come home with any of the top prizes.

Commodore Tom Morris has to be rated as one of the outstanding skippers in the Boston area as does his sailing mate Eldon MacLeod. Other members of the team were Sam Stephens and John Johnstone, who also performed well on several occasions.

The team was handicapped by lack of manpower and also by the fact that the teams in New England were unusually powerful for this area. They put forth an excellent effort in an attempt to keep Babson at the top of sailing circles.

Gary Reynolds worked very hard for the team in the capacity of being sail master as well as keeping the boats in good shape. He put in three years with the team in this capacity and deserves some recognition for his contribution to the sport.
This spring's Babson tennis team was expected to have an outstanding season and they disappointed no one. Despite the fact that they had four matches rained out or cancelled, they still managed to put together a 4-2 season.

The team defeated Bentley, Clark, Bates, and Stonehill while losing to Tufts and being upset by Brandeis. Under the tutelage of Coach Ralph Chambers, this was a well polished group of boys. The team was captained by Rick Moseley who displayed the type of leadership a coach dreams about. He was undefeated in singles and lost only one doubles match all season, and that occurred when he was split up when trying to come from behind and defeat Brandeis. Chris Brooks, Steve Epstein, and Brian Barefoot also displayed outstanding tennis, particularly in doubles. Dave Campbell, Bob Jackson, Carl Tolt, and Mickey Krupp composed the remainder of the team and each came through with some critical victories throughout the season.

The highlight of the season had to be the team's showing in the New England championships held at Harvard. Competing against Ivy League and Little Three schools, the team managed to collect ten points for a seventh place finish. Brooks, Epstein, Moseley, and Barefoot represented the team and each played his part in accumulating these points.

The prospects for next year appear uncertain as only co-captains elect Brooks and Epstein appear certain. There are five returning lettermen altogether so the team should be well represented. One must also consider that Coach Chambers has never had a losing season in twenty years of coaching.
In the preceding pages, the staff of the Babsonian 1965 has tried to present to you the simplicity and the complexity of the Babson Campus. We hope we have met this goal. It is not an easy task. The spirit, the goal of the Babson Campus, with its highs and lows, its tensions in work and its relaxation in play, must be felt to be enjoyed—this spirit cannot be photographed or paraphrased.

I would like to thank those who have been so much help to me, especially Bob Vanni, Brian Barefoot, Nick Dalessandro, and George Thomas.
