editor's note

As I perform this last official act as Editor, the Babsonian has already gone to press and events may be viewed objectively. The 1963 Babsonian has consumed the mental and physical effort and the valuable time of just a few individuals. It is to these men, my staff, and especially to my Associate Editor Michael Feldstein, that I express a heartfelt "Thank You." I sincerely hope that you shall place your 1963 Babsonian in its rightful place: on the shelf reserved for special editions.
