To Our Students:

It's been an incredible year for you and the entire community at Babson. Whether you were a first-year student whose FME business were perhaps the most creative in years, or a sophomore student who was the first to experience the revised IME, or a junior who perhaps studied abroad, or a senior who succeeded in completing over 36 courses to complete your degree, I congratulate you on a great year! For many of you it was a year of personal triumphs and tragedies as well. With the strength that has become a hallmark of Babson community - you persevered.

Some of the highlights of the year were seeing so many students support our athletic teams at events and taking on your own social life interests and creating such a fun atmosphere on campus. You became active student leaders who developed new organizations, special interest towers, and club sports.

Seniors, I hope you will return often; for homecomings, reunions, to help greet new students, to teach and train the next generation of student leaders, and to just come back and share a cup of coffee with us.

To the returning students, we hope this year will be one you remember for you have made it one to remember for us. We look forward to the next one, no matter what it brings, for each new year brings us new and exciting challenges and opportunities. Thank you for that!

Sincerely,

Carol Hacker

Work Hard

Nothing worthwhile comes easily. Half effort does not produce half results, it produces no results. Work, continuous work and hard work, is the only way to accomplish results that last.

- Hamilton Holt
It is better to have no emotion when it is work. Do what needs to be done, and do it coolly. - Louis L’Amour
Play Hard

*Life is all memory except for the one present moment that goes by so quick you can hardly catch it going.*

- Tennessee Williams
We do not remember days, we remember moments. - Cesare Pavese
Alumni Weekend

To have a good friend is one of the highest delights of life; to be a good friend is one of the noblest and most difficult undertakings. - Anon
Friendship is a word the very sight of which in print makes the heart warm.
- Augustine Birrell
Organization Carnival

Years and years of happiness only make us realize how lucky we are to have friends that have shared and made that happiness a reality.

- Robert E. Frederick.
One of the signs of passing youth is the birth of a sense of fellowship with other human beings as we take our place among them. - Virginia Woolf.
Casino Night

Great opportunity comes to all, but many do not know they have met them. The only preparation to take advantage of them is simple fidelity to watch what each day brings. - Albert E. Dunning.
It is impossible to win the great prizes of life without running risks.
- Theodore Roosevelt.
Friends are an aid to the young, to guard them from error; to the elderly, to attend to their wants and to supplement their failing power of action; to those in the prime of life, to assist them to noble deeds. - Aristotle.
Chances makes our parents, but choice makes our friends. - Jacques Delille.
Hope is not a dream, but a way of making dreams become reality.
- L. J. Cardina Suenens.
You can do very little with faith, but you can do nothing without it.

-Samuel Butler.
We either make ourselves miserable, or we make ourselves strong. The amount of work is the same.
- Carlos Castaneda.
There is no reality except the one contained within us. - Herman Hesse.
Different men seek after happiness in different ways and by different means, and so make for themselves different modes of life.

-Aristotle.
One starts an action simply because one must do something. - T.S. Eliot.
Battle of the Bands

The only measure of what you believe is what you do. If you want to know what people believe, don’t read what they write, don’t ask them what they believe, just observe what they do.

- Ashley Montagu.
No one knows what he can do until he tries. - Publilius Syrus.
Spontaneity is the quality of being able to do something just because you feel like it at the moment, of trusting your instincts, of taking yourself by surprise and snatching from the clutches of your well-organized routine a bit of unscheduled pleasure. - Richard Iannelli.
Always bear in mind that your own resolution to success is more important than any other one thing. - Abraham Lincoln.

The great law of culture: Let each become all that he was created capable of being. - Thomas Carlyle
All who would win joy, must share it, happiness was born a twin.
- Lord Byron
The Foundation Management Experience (FME), is a yearlong immersion into the world of business where student teams actually invent, develop, launch, manage, and liquidate real businesses. The College provides up to $3000 as start-up money for these student businesses. In addition to running the business, each group chooses a local community service agency to donate their time (6-8 hours per student) and their company profits to.

Some Agencies that the FME businesses work with are:

- American Cancer Society
- Dana Farber Cancer Institute
- Citizen Schools
- Boys & Girls Club of Boston
- Heifer International
- Rosie's Place
- Holy Family Shelter
- Charles River Arc
- Community Outreach Farm
- Friends of the Homeless of the South Shore
- Harvard Square Church Meal
- Wellesley Council on Aging
- The Angel Fund
- North Hill
- Camp Invention
- Special Olympics of Mass.

In Judy Blinstrub's 20th season as head coach, the Beavers (7-11-2, 4-5 NEWMAC) finished sixth in their 10-team league. Despite their offensive difficulties, the Beavers managed to win three of their last four regular season games en route to the NEWMAC playoffs. Those four games were all decided by a goal, including a 2-1 win over Mount Holyoke, a 1-0 loss to Wellesley, a 2-1 overtime win over Coast Guard, and a 1-0 win over Clark. Babson lost in the NEWMAC quarterfinals to Springfield, 4-1. Junior Toni Pantuosco was named to the All-NEWMAC First Team after leading the team in scoring with five goals and four assists for a total of 14 points. Junior sweeper Danielle Fazio was named to the All-NEWMAC second team after anchoring the Babson defense. Caitlin Cronin '07 was also a bright spot for the Beavers, as she finished third on the team with three goals and seven points in her first collegiate season. Senior on the team included co-captains Kat McMackin, Laura Davis and Emily Tata.

Top row left to right: Cara Forsberg '06, Caroline Harvey '05, Kimberly Bruno '05, Alicia Gilpatrick '06, Jennifer Donahue '05, Marci McCormack '06, Kira Maddigan '06, Jacqueline Decocq '06, Caitlin Cronin '07, Sara McSweeney '06, Brittany Wigmore '07. Men's Soccer

The men's soccer team turned in a very solid 2003 campaign, despite battling one of the toughest schedules in New England. Among the Beavers eight victories this season were wins over nationally ranked Williams, as well as regionally ranked foes Roger Williams, Western New England, and Salem State. After posting back-to-back victories to end the regular season, Babson pulled a stunning upset over third-seeded WPI in the NEWMAC Quarterfinals. The Beavers then fell to eventual conference champion Wheaton in the semifinals. Leading the team were First Team All-NEWMAC selection Shaun Dowell, who led the team with eight goals and 18 points, and co-captain Mike Muccio, who battled through two broken hands to earn Second Team All-Conference honors.

The fall of 2003 turned out to be a dream season for the Babson field hockey team, which set new program records for overall victories (18), consecutive victories (8), goals in a game (9), goals in a season (72), shutouts (9), and winning percentage (.783). The team finished with an outstanding 18-5 record, 5-3 NEWMAC record, and advanced to the semifinals of the ECAC Tournament. Babson was led by Co-captains Erin Lockwood and Colleen Kelly, who both earned First Team All-NEWMAC honors after anchoring a defense that allowed an average of just 1 goal per game. Kelly also earned All-New England First Team recognition and was selected to play in the prestigious North/South Senior All-Star Game. Pacing Babson's record-setting offensive attack were Torry Cullen (10 goals, 11 assists, 31 points), followed by Erin Conroy, NEWMAC Rookie of the Year Andrea Tufts, Second Team All-NEWMAC selection Katie Janson, and co-captain and All-New England First Team selection Shannon Hawley. Other seniors on the team included Allison Armstrong, Kate Graham, and Kristy Mellinger.

The women’s volleyball team battled through a very difficult fall, as the team dressed only six or seven players throughout the majority of the season. Despite a rash of injuries and missing players, Babson still managed to post a second-place finish at the Salem State Invitational Tournament, where they defeated UMass-Boston, Southern Maine, and the host Vikings. Leading the team were captain Michelle Danis ’04, who finished second on the squad in both kills (201) and blocks (32), and first-year Amy Wilkinson, who led the Beavers in kills (271) and digs (149) despite missing the team’s final nine matches. Babson also received strong contributions from sophomore Cheryl Gutowski, junior Angela Cheng, and sophomore Keenan Gary, who each played all 104 of the team’s games.

In Matt Taylor’s first year as head coach, the men’s and women’s cross country teams ran in eight invitational races at Amherst, Connecticut College, UMass-Dartmouth, and Quinnipiac. The squads also ran in the Open New England Championships, the University of Southern Maine’s Twin Brook Invitational, the NEWMAC Championships, and the NCAA New England Division 3 Championships (women: 28th/35; men: 21st/38). Senior co-captain Chris Perry became just the fifth multiple-year all-conference runner in team history. Junior co-captain Anna Garker ran the NEWMAC championship race in 19:16—the fastest time in Babson’s women’s cross country history; while co-captain Lydia Holloran also had an impressive finish. Other seniors on the team included co-captain Matt Rowell and Matthew Veilleux.

Women's Tennis

The women's tennis team enjoyed one of the greatest seasons in program history this fall, going 13-1 overall and a perfect 8-0 in the NEWMAC. The team then capped their dream season with its first-ever NEWMAC Tournament Championship, beating arch-rival MIT in the conference finals, 5-2. The key to Babson's success throughout the season was the play of its outstanding doubles teams, which won 41 of their 42 matches this fall. Leading the charge was the sensational tandem of sophomore Erin Sei and Fran Russo, who went 13-0 at the number one doubles spot to earn First Team All-NEWMAC honors. Junior Daniela Hoes and senior tri-captain Andrea Fang also earned First Team All-Conference recognition at third doubles after posting a 13-0 mark, while junior Sam Wong and senior tri-captain Shannon McCarthy claimed Second Team honors after going 12-1 at number two. Babson was also rewarded for its outstanding singles play, as Fang (Second Team at #2), Wong (First Team at #3), Russo (First Team at #4), and Fang (Second Team at #6) all garnered All-NEWMAC honors.

Captains: Shannon McCarthy '04, Cassie Kao '04, Andrea Fang '04
Head Coach: James Berrigan
For the third time in four years, the Babson College men's tennis team advanced all the way to the finals of the NEWMAC Tournament, only to fall to conference champion and regional powerhouse MIT, 4-0. The men's tennis team wrapped up its 2004 campaign with a post-conference 6-1 loss to Tufts in late April. Despite the defeat, the Beavers received a magnificent performance from Gabriel Ackermann, who recorded a huge upset over the Jumbos' top singles player, 7-6 (4), 6-3. As a result of the victory, Ackermann finished the year with a record of 10-2 in singles play and was ranked among the top 15 players in the region. With their outstanding performance, the Beavers finished the season with a record of 13-10 overall.

The women’s hoop team saw its season come to a close as the fifth-seeded Beavers fell to fourth-seeded WPI, 49-41, in the quarterfinals of the NEWMAC Tournament. Junior Erin Conroy led Babson with 12 points and 11 rebounds in the loss, while junior Meredith Hellen and first-year April Suprey each added nine points. Despite the loss, the Beavers still managed to win five of their last eight games to end the year with a record of 13-13 overall. The team averaged 55.5 points per game, compared to their opposition with 55.2 points per game, showing a number of close games.

In what was undoubtedly one of the greatest endings in the history of Babson College athletics, sophomore Brian Parsons tipped in a miss by senior co-captain Jeff Hines at the buzzer to lift the Beavers to an incredible 72-70 win over Springfield College in the championship game of the 2004 NEWMAC Men's Basketball Tournament. As a result, Babson (20-7) received an automatic bid to the NCAA Division III Championship Tournament - the squad's second in three years and fifth in the history of the program. The Beavers' big game experience showed as the team battled a boisterous Endicott College crowd on their way to a 66-56 victory in the first round. It was the second NCAA Tournament win in program history, and the first ever on the road. Babson's brilliant late-season run then came to an end, as the Beavers fell to Keene State, 79-55, in the second round. Senior co-captain Luke Weber was one of five players to earn All-NEWMAC First Team honors, while junior CJ Enere garnered Second Team recognition.

The men’s swimming and diving team competed in the NEWMAC Championships at Springfield this year, where the Beavers finished fourth overall despite having one of the smaller rosters in the league. Brian Drysdale posted the team’s top swimming finish of the day, as he took third in the 100 back. His time of 53.92 also broke his own Babson record of 54.00 seconds set last year. Brian Ditman and Mark Saindon finished third and fourth, respectively, in the 3-meter diving event, while Mike Steenman placed fourth in the 100 breast and fifth in the 200 breast in his first NEWMAC Championship meet.

The women’s swimming and diving team also competed in the NEWMAC Championship, this year, at MIT, where the Beavers finished eighth overall. RC Saint-Amour turned in several outstanding performances in her first conference meet, as she placed fifth in the 50 free and the 100 back. In addition, Saint-Amour set new Babson records in the 50 free, 50 back, 100 back, and 100 free, while also bolstering three record-setting relay teams. Anne Gordon also performed well in the event, as she placed third in the 3-meter diving competition and fifth in the 1-meter. Rachel Bishop rounded out Babson’s top performers, as she finished third in the 100 breast, set a school record in the 500 free, and was a member of three record-setting relay teams.

The ice hockey team enjoyed a fantastic postseason run, as the team upset fifth-ranked New England College, 3-2, to advance to the ECAC East Finals for the first time since 1991-92. After captain Derek Nisula and Greg Cassisa each scored goals in the first two periods, Eric Tkacz scored the eventual game-winner on a penalty shot with 11 minutes left to play. That would be all goalie John Sterbling would need, as he made 38 saves to clinch the victory. The team nearly toppled defending national champion Norwich University, which needed overtime to edge the Beavers, 2-1. Sterbling was once again magnificent in net, as he stopped 44 shots to earn All-Tournament honors. He was joined on the All-Tourney Team by Cassisa and Rob Harvey. Nisula and Johnny Kim were each named to the All-ECAC East Second Team, while Sterbling and Ryan Farrell were each named to the East All-Rookie Team. Nisula and Tkacz were then selected to play in the 10th Annual Bill Cahill Eastern College Division.

The women’s lacrosse team suffered a hard-fought loss ending their season, as the second-seeded Beavers (10-8, 4-2 NEWMAC) fell to #3 Eastern Connecticut State, 12-9, in the semifinals of the ECAC New England Tournament. Junior Libby Bryant scored a team-high three goals in the loss, while senior co-captain Sarah Siciliano closed her brilliant career with two goals and one assist. Junior Margaret Schlachter also played well, stopping eight shots in net. The team advanced to the NEWMAC semifinals after having beaten Smith College in the quarter finals.

Men's Lacrosse

The men's lacrosse team advanced all the way to the championship game of the ECAC New England Tournament this year. The second-seeded Beavers hammered #7 Wentworth, 20-6, in the ECAC New England quarterfinals. The team then won a thrilling defensive battle against #3 Wheaton, 5-4, in the semifinal round, as Tim Armenta and first-year Nick Fessenden each netted a pair of goals.

Babson's great postseason run finally came to an end on Sunday, as the Beavers fell to top-seeded Western New England, 12-7, in the championship game. Following his eight-point week, Armenta will graduate as Babson's fourth all-time leading scorer with 159 career points. The team ended their season ranked third in the Pilgrim Lacrosse League.

The softball team won its final four games to set a new program record for victories in a season. The team swept Brandeis, 4-3 and 5-3, and then defeated Saint Joseph’s of Maine, 4-2 and 4-1, giving them 26 wins for the year. Senior co-captain Colleen Kelly wrapped up her amazing career with another stellar week, going 6-for-10 with three doubles, a homer, and four RBI in four games. She also picked up her seventh win of the season and 44th of her career against St. Joe’s, allowing one run on five hits in seven innings. Seniors Beth Ziner, Allison Armstrong, and Jill Paine added five hits and three runs scored to bolster the Babson offense, while first-year Stacy Schlicht recorded two more wins on the mound.

The Babson baseball team had a fantastic season this year with its first-ever entry to the NEWMAC Championship and NCAA Tournament berth. Following a spectacular career as a pitcher for the Babson baseball team, senior Jason Kosow became just the second player in program history to be chosen in the Major League Baseball draft. Kosow finished his magnificent career as Babson’s all-time leader in strikeouts, saves, and relief appearances, and he ranks among the program’s career leaders in ERA, wins, and complete games. He was instrumental in leading Babson to its NEWMAC Championship and NCAA Tournament berth, and he turned in a complete-game, 12-strikeout performance against Bridgewater State in the first game of the regionals.

In addition, six Babson baseball players received postseason honors. After being named All-NEWMAC First Team, sophomore catcher Ted Dziuba was selected to the All-New England First Team. Joining him on the NEWMAC All-Conference First Team were Kosow and junior hurler Jim Burke, who were both selected to the All-New England Third Team as well. Senior rightfielder Mike Muccio was named to the All-NEWMAC Second Team, while senior pitcher Jeff Heighington and junior back-up third baseman Matt Walsh earned NEWMAC All-Academic Team honors.

The Alpine ski team competed in the regional championships at Waterville Valley, where the team finished sixth overall, falling just short of an automatic bid to the national championships for the second straight season. Although Babson did not receive a team bid to the USCSA National Championships, sophomore Carson Thurber did qualify individually after finishing third overall. In addition, Thurber, sophomore Morgan Newman, and senior co-captain Andrew Waples, received invitations to compete in the prestigious Middlebury Carnival. Thurber finished 17th in the Slalom and 32nd in the GS, while Waples closed out his outstanding career with a 37th-place finish in the slalom. Newman also had a strong showing, as he placed 50th in the slalom and 52nd in the GS. Thurber represented the Babson ski team at the USCSA National Championships, where the second-year sensation made history by earning All-American honors in both the GS, the slalom and the combined. He finished fourth overall to earn All-American First Team recognition in the GS, and the added All-America Second Team honors with a seventh-place finish in the slalom. He has become the fifth Babson skier to receive All-American honors during their careers, and the only one in the last five years.

The track and field teams competed in the 2004 NEWMAC Championships at Springfield College this year, where the men finished sixth and the women finished eighth. Highlighting the season for women's track and field was junior Lydia Halloran, who smashed her own school record and placed third overall with a time of 18:54.13 in the 5k race. With her performance, she became the first runner in Babson history to break the 19-minute mark in the event. Highlighting the season for the men's track and field was senior co-captain Chris Perry, who earned All-New England honors by finishing sixth overall in the 10,000 meter run with an outstanding time of 33:48. Senior co-captain Matt Rowell added a 10th-place finish in the 1,500 meter run and recorded a personal-best time of 4:07.27, which qualified him for the ECAC Championships.

The Babson Scuba Diving Club is a brand new organization of Babson College, starting just this year. Although the idea first developed last year, it became a full semester effort that commenced the first week of the 2003-2004 school year. This year, with the help of SGA, The Scuba Club developed its foundation by certifying 14 new scuba divers. From here, it plans on organizing scuba trips and becoming more involved within the campus. The Scuba Club sees a great interest in the community for SCUBA and it’s the club’s goal to get SCUBA more integrated into the Babson campus. How great would it be to get SCUBA offered as a class that you could earn credit for? The members of the Babson Scuba Club love being underwater and if you do to, find out where we are and come hangout!
Mission Statement: A transformational community, based on God’s Word, committed to knowing Christ, growing in Christ and making Him know at Babson and throughout the world.

The Babson Christian Fellowship drew closer to God and each other this year through various activities hosted on and off campus. Most notably we met for life-changing Bible Studies where we read the Bible together and prayed for each other’s needs. These evening were times that we all looked forward to because of the sincere community to which we could bring our trials and joys of our lives. The supportive friends which we found in each other enabled us to see more of God’s character and consequently share the love of Christ with the campus.

Our fun events function underneath the supervision of Campus Crusade for Christ, the evangelical organization dedicated to college students and more. We met on Friday evenings in Harvard Square with college students across the city to worship God through songs and hear quality teachings about the Bible. With this same group, several of us attended the Fall Retreat on Lake Winnipesaukee, NH. Too many smores, hours in canoes and many laughs later we drove back to campus refreshed and grateful for the lessons God had shown us that weekend.

The entire campus enjoyed participating in our fall Christmas outreach event which partnered with Operation Christmas Child and Samaritan’s Purse. We packaged many boxes with toys and necessities for children in 95 countries worldwide. This enabled children around the world to have a blessed Christmas and be presented with the opportunity to know that God loves them too, regardless of their circumstances.
Babson Women’s Rugby had one of its most successful seasons in the club’s history. With strong coaching and individual determination, the club was able to mass four victories and one hard fight lost to rival team Bentley College.

Coming within one of the division three playoffs will surely motivate next year’s team of women ruggers. Lead by captains Denise Mancuso and Holly Hebert, this year’s team worked harder and played tougher than ever before. As always, the season was filled with many memorable moments both on and off the field. Thank you to all who have brought Babson Women’s Rugby to a new level. The dedication and contributions of departing seniors will be missed. Best of luck ruggers... “Ruck, maul, tackle, run. A women’s work is never done!”
The Babson Hillel provides events, speakers, services, and spiritual guidance to Jews on Babson's Campus. The pictures below are from Hillel's Passover Seder in April.
GLEE, (gays, lesbians and everyone else) is an alliance between heterosexuals and homosexuals at Babson that organizes speakers, dinners and social events that seek to promote awareness and tolerance of sexual diversity within the Babson Community. We believe that increasing the campus-wide visibility of students who identify themselves as sexual minorities will promote a more welcoming environment for those students who are struggling with their own sexual identity. In addition, we are confident that once more students become aware that some of their friends or acquaintances are gay, lesbian, or transgender, that reliance on stereotypes will recede.

In its second year running, The Babson Beach Club and Chief Beach Bum, Kevin Shane, brought the best things since party balls to the Babson Community. By joining forces with BOA, gatherings were held that will be remembered forever. Entertainment ranges from sloppy nights in a cell, to candles being put in unusual places. The Beach Club T-shirt, now on campuses all across the country, was once again a big hit as well. Although the club never did get its sponsorship from QuikSilver or Salomon, it still represented what life should be like for college students around the world. As of December 2003, the Club was officially retired but will live on as a legend in the collegiate world.
Our Objective: To preserve the South Asian culture by organizing events and bringing together students of the region.

Today, AMAN (the Hindi word for peace) is the South Asian Students’ Association at Babson College with 171 current members of the Babson community. We organize numerous events including Freshman Welcome Lunch, Diwali Dinner (Festival of Lights), Iftaar (Eid Fast Breaking), Ping-Pong Tournament, Holi and Eid Dinner. In addition, we are pleased to announce that for the first time in Babson’s history, Aman organized its own cultural show! We are extremely proud to be on of the largest student run organizations on campus and thank our members who make all of our events successful.

Aman congratulates the Class of 2004 and wishes them success. Last but not least, we’d like to thank Sonia for all of her help and exceptional leadership. We could not have done it without you and we’ll truly miss you!
The Babson Dance Ensemble is one of the largest student-run organizations on campus, consisting of over 70 men and women from both Babson and Olin College. With such a wide variety of students coming from different backgrounds, we strive to create a performance each semester which celebrates and showcases the eclectic mix of dancing styles. As a group, we choreograph, perform and produce our show, which runs for three nights each semester in the Sorenson Theatre. Our semester is dedicated to preparing for this show, which involves weekly practices for each of the 20 dances we perform. Possessing a wealth of creative talents and skills, we feature dancing styles such as hip-hop, jazz, lyrical, point, latin, and tap. In addition to our Fall and Spring Performances, we also perform at campus events such as Casino Night andBasically Babson Day.

Each semester we hope to take BDE, our members, and our shoes to new heights, with the hopes of developing a strong presence on campus. We aim to make BDE an enthusiastic organization in which our members form new friendships and have the opportunity to explore creative avenues.
Kappa Kappa Gamma is a group devoted to friendship and loyalty. Its members are committed to academics, philanthropy, and campus involvement. Its purpose is to provide a support system for members and enhance their leadership skills.
The Babson Entrepreneurial Exchange (BEE) is an organization dedicated to facilitating the exchange of ideas and opportunities between students and alumni of Babson College. Since 1984, the BEE has hosted a variety of focused events to encourage its members to explore and determine their paths as entrepreneurs. With the support of the Arthur M. Blank Center for Entrepreneurship, events such as the Conference of Entrepreneurship and Blank Speaker Series have exposed the greater Babson community to the latest business trends and some of the most distinguished entrepreneurs of our time.
The mission of Tau Kappa Epsilon is to promote brotherhood between its members and to contribute significantly to the Babson community.

The Babson Entertainment Initiative is a partnership between college students, alumni members, industry executives, and professors that allows young people to become actively involved and working in the entertainment industry.

BEI focuses on giving college students an understanding of how the entertainment industry works and an opportunity to gain real world experience while still in school. To accomplish this, BEI partners with entertainment organizations such as MTV, NBA, Geffen Records, and many more to provide consulting services in return for jobs/internships at their respective firms.

Throughout the school year, BEI hosts exciting events such as industry visits to New York and L.A., speaker series, at the school, trips to concerts and sporting events, and more. For more information contact entertainment@babson.edu!
The E-Tower is a community for students entrepreneurs at Babson College who are actively developing business plans and running companies. The purpose of the e-tower is to unite student entrepreneurs and immerse them in an innovative, high-energy environment that promotes the creation, evolution and implementation of business ideas. By merging the spirit of a community with the centralized office resources of a traditional business hatchery, we hope to create a platform of entrepreneurship that harnesses the pioneeering spirit of the business leaders of tomorrow.

The E-tower is dedicated to recruiting only the best entrepreneurs that Babson has to offer. Building of Babson’s number one ranking in the entrepeneurship, we believe that the E-tower is, and will remain a community of the top collegiate entrepreneurs in the country. The E-tower encourages and inspires its member to be more involved in entrepreneurial activities at Babson, and outside of the Babson community.

In addition, ten E-tower members have pitched at the Babson Rocket Pitch event, and three members have been finalists for Babson’s Small business Initiative Award. As a community, the E-tower is a recipient of the Schopfungsbeitrags Preis award (for creativity and contributions to campus life), and has been noted in numerous news publications, including the Boston Globe and College Bound magazine.
BAPSA, Babson Asian Pacific Student Association, is based upon the following four principles: diversity, self-awareness, friendship, and experience. Our purpose is to promote multiculturalism, learn and understand our own cultures as well as other cultures of the Babson community, establish friendship among members, and create a memorable cultural experience. Each year BAPSA hosts several cultural and social events as well as a student-run cultural performance, “East Meets West.”

The BSU is a multicultural student organization that is based on promoting diversity and knowledge of minority peoples throughout Babson College and the surrounding area. By promoting periods such as Black History Month, performing charity work, and encouraging interaction amongst multicultural students, faculty, and alumni, the BSU continues to strive for a healthy and mixed integration of students that continues to improve upon communication lines in our community.
The main objectives of the Luxury and Fashion Association are: 1) To educate students who are interested in the luxury goods and fashion industries by holding seminars about high-end designer clothing, the perfume industry, jewelry industry, luxury automobile industry, wine industry, etc. These are held during meetings and involve some research on the member parts along with heavy research from e-board members. 2) To interact with companies in the industry by inviting speakers, setting up possible trips to workplaces and fashion/luxury goods networking events and shows. 3) To create a list of contacts and other resources that will be accessible for LFA members only. These contacts could lead to possible careers and internships in the luxury goods/fashion industries.

Sigma Kappa

Sigma Kappa Sorority is an amazing national sorority which holds high ideals of scholarship, service, and of course, fun! The Zeta Zeta chapter is made up of amazing women from all over the globe, ranging from Ecuador, Oman California, Oregon, Hawaii, and all over the East Coast. Each sister brings to Sigma Kappa her diverse background, culture, and ideals which make up our unique bond of sisterhood. Although this description defines each sister individually and the sorority from an outsider’s eyes, the real meaning of sisterhood can not be put into words. We are sisters that stand together and support one another through thick and thin. We are sisters who bring sisterhood – lifelong friendship – alive.

Sigma Kappa’s Highlights of the Year:

- Completed over 500 hours of community service
- Won the 2003 Greek Week Championship award
- Stayed above the all women’s average GPA
- Both Blood drives were a great success.
The Babson Outdoors Association strives to enrich and diversify the experiences of those in the college community by making outdoor activities available to everyone. In addition to this, the BOA coordinates activities and creates campus-wide interest in outdoor activities. The O-Tower works with the BOA as a guiding resource to initiate trips and publicize them to the rest of the community.
The Babson Russian Club was formed in order to unite people with a similar interest in promoting and learning about the Russian culture. Though the majority of our club members were born in different countries of the former USSR, we drew in several non-natives who shared similar goals and interests. The Russian Club was made open to Babson and Olin students, MBA’s and anyone else who wanted to take part in the group. It was through the union of all of these individuals that the Russian Club was able to contribute to the Babson community.

The focus of the Russian Club in their first year was on Russian-affiliated events and awareness about the Russian culture. Popular events included a Pub Night titled, “Russian Club Gone Wild,” which featured popular Russian games and music. The club also was able to bring unique opportunities to students. For example, the Kirov Ballet connected interested students to a prestigious performance in Boston. With the help of advisor Professor Bill Coyle, the Russian Club was able to service the appetite for business at the college. The club presented Oleg Jerebtskov, a leading Russian entrepreneur, to Babson. They also focused on group building activities such as dinners and discussions. This first year was a successful foundation for the club’s upcoming years. The Russian Club will continue to grow in the future and provide interesting opportunities to interested students.
The Student Government Association consists of six Executive Board Members, 60 Senators, and 30 House Representatives. SGA has the vision to increase Babson pride and community involvement by giving all students the tools, knowledge, and resources to raise school spirit, create leaders, become proactive, and improve their own lives at Babson. Our community not only realized we are “the voice of the student body,” but we are also its ears – we listened to issues, ideas, questions, and concerns and acted on them. This year SGA educated students on what impact they could make on this campus and with support from SGA, we saw students and student groups collaborate and host great events, speakers, leadership retreats, and outings. In addition to activities, we continued to educate members of our community and help them become better leaders by hosting leadership seminars, retreats, info sessions, and luncheons. The Student Government Association has worked very hard to give more than what was expected of them with the hope that others will do the same.

Babson Improv is not your typical organization... we have no hierarchy, no structure, no motivation through title/praise, no vision, no SGA budget, and no one knows us. When you have nothing better to do, we are the people you come to in order laugh at another's expense. We are only in Improv for the laughs and the chicks.. except for the female performers, they are in it for the Improv dudes (cuz we are "mad hot"). The only goal of babson Improv is to make someone's day a little brighter by making someone else look bad. That is the Improv way.
Babson College Radio is dedicated to providing a continuous stream of high quality, internet based radio broadcasting to the Babson community. By offering a balanced mix of talk shows, sports commentary and music, BCR strives to meet the diverse tastes and entertainment needs on campus.

Each Thursday you can hear the intoxicating rhythms of BCR DJs spinning the latest tracks for merry pub-goers. The Mr. and Miss Babson Competitions bring the campus together for two evenings of good natured, beauty pageant fun, and students cram for exams listening to the calming sounds of Pure Relaxation late night classical music. BCR can be heard across campus in Reynolds, Trim, Channel 9 and on student laptops everywhere. Are you tuned in? http://radio.babson.edu
The Admission Assistant Program (AAP) is a group of enthusiastic and diverse undergraduate students dedicated to providing prospective families and visitors the most accurate and positive view of what it’s like to be a member of the Babson community. Working under the umbrella of the Admission Office, our organization strives to reflect our pride in Babson and interest in its future by being the link between current and prospective students. For new members of the community, we are the first face of the student body.

AAP is one of the largest student organizations on campus, with over 75 participating members and is led this year by 5 student coordinators: Jenn Putnam, Head Coordinator; Ian Johnson, Public Relations Coordinator; Stephanie Thelen, Tour Guide Coordinator; Minh Bui, Ambassador Coordinator; and Jen Sandler, Special Events Coordinator.

Habitat for Humanity is an international organization that endeavors to provide reasonable housing to all people through its affiliate bases. Volunteers work alongside the community members and future Habitat owners at several construction sites. This year, thanks to the contributions from the Babson Community, 13 of us in addition to 2 administrators spent our spring break in a village in Veracruz, Mexico. The villagers’ strong work ethic, sense of community, and different lifestyle changed our perspectives of our surroundings. Even more, we will always remember the love and warmth that we received from the families, especially the adorable children.
Founded in 1920, the Babsonian Yearbook is Babson's oldest organization. Throughout the 2003-2004 year we have worked hard to compile a book of Babson students, events, organizations, and functions that have shaped this school year. This year's talented staff has been ignoring deadlines, hunting down organization leaders, and harrassing seniors in order to give the students the best possible yearbook. We thank everyone who contributed pictures, text, and that other random "stuff" that was included in this year's book. Intrigued? Come visit us at www.babsonian.org!

Dear Members of the Class of 2004:

Congratulations to all of you! You should be very proud as individuals and as a class for all that you have achieved during your years at Babson. I’ve been impressed with your contributions to the Babson community—in academics, athletics, artistic pursuits, and many other aspects of campus life. Babson is a better place because of your commitment and enthusiasm.

As you read through the pages of The Babsonian, you will relive many of the memories of the past four years. I know that you will hold on to these memories for many years to come. From my own experience as a Babson alumnus, you will be surprised at how much you will value these memories in the coming years. You also will find that your experiences at Babson, in and out of the classroom, and the friends you have made here have helped prepare you for the next stage of your life.

Congratulations again on your many accomplishments. I want to wish you all the best of luck in your future pursuits. Stay in touch with Babson and come back often. I look forward to seeing you on campus as active alumni.

Best regards,

Brian M. Barefoot '66, P'01
A Message from William F. Markey, Jr.

May 15, 2004

Dear Members of the Class of 2004,

On behalf of Babson’s Governance, I applaud and congratulate the Class of 2004. You are a very talented class and your future holds great promise. Your achievements in the classroom, on the athletic fields, participation in campus life and community service have enhanced Babson’s reputation and enriched the lives of all Babson students, faculty and staff.

Now you are about to begin a new chapter. We encourage you to pursue your dreams, exceed your expectations, and help create a better world. Always take time to reflect back on your college experience and relive these defining moments through the pages of the Babsonian. Continue your friendships with classmates and return often to the campus.

Now it is your turn to go forward and live your life in a manner that will make us all very proud.

Congratulations and continued success.

Sincerely,

William F. Markey, Jr.

Over the course of the past four years I have managed to meet some of my best friends and obtain knowledge from some of the best professors in the business. I never would have thought that these four years would have flown by so fast. It seems like just yesterday when we all stepped foot onto this campus for orientation. I will never forget the name games we played in class and the many Knight parties we attended. However, I do hope to never have to hear the acronyms FME, IMC, LVA, CVA, and HSS ever again! Thank you to all those that have touched and enriched my life these past four years; we finally made it! I love you guys and I hope the best in your futures.

Children

Your children are not your children. They are the sons and daughters of life's longing for itself. They come through you but not from you. And though they are with you yet they belong not to you.

You may give them your love but not your thoughts,

For they have their own thoughts.

You may house their bodies but not their souls,

For their souls dwell in the house of tomorrow, which you cannot visit, not even in your dreams.

You may strive to be like them, but seek not to make them like you.

For life goes not backward nor remains with yesterday.

You are the bows from which your children as living arrows are sent forth. The archer see the mark upon the path of the infinite, and He bends you with his might that His arrows may go swift and far. Let your bending in the Archers's hand be for gladness;

For even as He loves the Arrow that flies, so He loves also the bow that is stable.

Love,
Mom, Dad, and Evan.
Congratulations! We are very proud of you.
As Eleanor Roosevelt said:
"The future belongs to those who believe in
the beauty of their dreams."

We love you,
Mom, Bryan & Veronique

Principles

Without ambition one starts nothing.
Without work one finishes nothing.
The prize will not be sent to you.
You have to win it.
The man who knows how will always have a job.
The man who also knows why will always be his boss.
As to the methods there may be a million and then some, but principles are few.
The man who grasps principles can successfully select his own methods.
The man who tries methods, ignoring principles, is sure to have trouble.

--Ralph Waldo Emerson
Dear Jay,
Remember

Aim High
Shoot Straight
Fight Hard For What You Believe

Each time you succeed, no matter how tiny the success, stop for a moment and listen for a cheer -- You’ll hear it in your heart. Do you hear it now? No matter where we are, or where you are, we’ll be cheering for you.

Always. Forever.
Love,
Mom, Dad, and Ryan

Steve:
Hoping all your dreams come true, like ours did the day you were born.
Love, Mom & Dad

We are so proud of you!!

Today we weep for Tom Siever,
And the two crosses he had to
bear.
The one we all saw him carry,
And the one that he could not
share.

We are left humbled by his
pain,
Speechless from the why's and
how much?
We gather here Lord; side by
side,
All of our lives his heart did
touch.

Like a star falling from your
heaven,
He burned brightly into our
souls.
There he’ll last forever oh Lord,
With the best memories to
hold.

So may the wind be at Tom’s
back,
The sun forever in his face,
And peace finally at his side.
With you Lord, inside Heaven’s
gates.

- James Andrews '04
Some people come into our lives, leave footprints on our hearts, and we are never the same.

A year with you was not enough
We will always cherish the memories
That made our first year special

We couldn't have lived without
Your compassion and spontaneity
Your wonderful sense of humor
That could lighten any situation
Your encouragement, trust, and love
Were the reasons for your many friendships
Your uplifting personality
Made each experience we shared together unique

When we think back upon our freshman year
We will remember the times we had with you
From the many talks to nights on the town
To those late nights up studying
And those early morning classes
You will remain with us through our journeys
And your spirit will always continue to guide us

"For some, life lasts a short while, but the memories we've shared will last forever...Remember we are forever changed by who you were and what you meant to us!"

-Lindsey Miller '07 and Danielle Young '07
To the Board of Directors & Shareholders of Babsonian

In our opinion, the accompanying photographs and other documentation of student activities and whereabouts for the school year 2003-2004 demonstrate how Babson students create value for the college. This Annual Report presents fairly, in all material respects, the position of Babson College from September 2003 through May 2004. From Knight Parties to Top of the Hub, from finals to morningafters to the best omelettes made by Maria. From escaping falling ceiling pieces in the library to trying to get out of the all-night lab. From parking tickets to last strikes. From always dodging speeding BMWs to student loans higher than first-year salaries. From Woody's coffee to too much Nick's Pizza and Dominos. From tipping over cars for the Patriots to wearing green for our teams. The mission of the Babsonian is to capture some of these moments and to provide a memento of them. We would also like to thank everyone who has sent us candid pictures and assisted us to the completion of the Yearbook. We hereby affirm that these documents provided are representative of the Babson experience.

Yours Sincerely,

Vivian Wong        Sarah Healey

2004 Babsonian Yearbook

Colophon

The 2004 Babsonian, Volume 54, was designed and created by Sarah Healey and Vivian Wong, 2004 Babsonian Yearbook Co-Editors; and the Yearbook staff: Ashley Albert, Marisa Breda, Paul Burgess, Neesha Modi, and Tia Prevett, in Babson Park, Massachusetts. The book was printed by Jostens Publishing Company in Winston-Salem, North Carolina and the publishing consultant for the Babsonian was John Neister. All Senior Portraits were taken by Davor Photography, and Caren Orlick Korin was the Davor Photography representative. Press run was 750 books, which were distributed to all Babson College Seniors graduating in 2004.
