Dear Aimee,

When you started Kindergarten in your pretty pink dress, none of us could have imagined all of the adventures your school days would hold. . .

Through all the changes, you have set high standards and goals for yourself and met them all - in Rochester, Dallas, Houston, Punta Gorda and finally at Babson.

The focus and determination you’ve exhibited through the years will take you far in life. You are a shining star. Always there for family and friends like a beacon on the shore.

We are so proud of you!

Congratulations!

WAY TO GO, SICA!
It seems like it was yesterday that I held you when you were a baby. But time has a way of slipping past us unnoticed. I closed my eyes for a moment, and opened them to find your grown.

I miss those days when you spoke your first words, took your first cautious steps, and love and caring were all you needed. Those were beautiful and precious times. But now I am finding your adult years are beautiful and precious, too. You are not only my child, you are my friend.

I never realized when you were a baby how close we would be today. I thought you would always be my baby, and in a way, you are. But as you have grown, so has my love for you.

You are sensitive and caring, loving and giving. You are a person whom people respect, as I do. I am so proud of you; please remember that. I guess what I am trying to say is that I am so thankful God blessed me with you, and I am so proud to be your mother.

Even if a day should go by when I don’t say “I love you...” May never a moment go by without you knowing I do.

Mummy
From the start of this yearbook adventure, there have been so many people that have done so much to help me, and the rest of the Babsonian Staff, so the first thing I need to do is thank them for allowing me to maintain my sanity throughout the last year and a half. So, my thanks go out to Laura DeVeau, the best advisor anyone could ask for; all the BSMC crew - Adam, Jess and Angelo... I'll never forget the 'short' meetings we used to have; Mom, Dad and Kate, for listening to me whine when things weren't going well and for always being there when I needed you; to my Sigma Kappa Sisters, I never could have made it at Babson without you, and especially to Mandy, G, Mo, Jax, Carolyn and Vanessa... you have all been the best!

I would like to thank the 2000 Babsonian staff for all your hard work and amazing help. This book wouldn't be a reality without you. This book also wouldn't be a reality without the support of so many other members of the Babson College Community: Carol Hacker, Tim Mann, The Athletics Department, Mike Pugatch, Karen Kus, Chris Merlo, Allison Chase-Padula, Connie Bosse, Dawna Dewire, the Staff of the Babson Free Press and President Higdon.

So, as this year has drawn to a close, I can't believe all the remarkable memories that I will carry with me as I leave Babson: meetings, BSMC blimp excitement, trips to the 'Bone', girl talk with Adam, Pub nights, deadlines, darkroom fun, LA, vacations, hanging out in the Sigma Tower, Knight Parties, Freshman Year in PMN and Trish and I in the tinyst double on campus, dinner at G's, Saturday morning in Trim, The Kells, The Purple Shamrock on Thursday nights, and of course, Senior Week!

I wish the best of Luck to the 2001 Babsonian Yearbook Staff, and especially Heather Webster... I have every confidence that you guys will put together a fantastic book!

To my friends, and the class of 2000, I wish you every happiness and opportunity. Take care of yourselves.

- Aimee M. Dollinger
