The Admission Assistant Program is the largest student run organization on campus. With more than 150 volunteers, we provide a very unique service to the Babson campus. On a daily basis the volunteers of the AAP give tours, host overnights, and greet prospective students and their families in the office. Over the course of the academic year the volunteers of AAP also write letters to students, go back to their highschoools as Babson Ambassadors, and volunteer for various open houses and phon-a-thons. The volunteers of the AAP are dedicated students who love their college and enjoy making an impact on a student’s decision to attend Babson College.
