During the course of the school year, certain occasions are of an extraordinary nature. Some of them are not included in the calendar of school functions. Others such as Honors Day and Graduation exercises are of such a great significance that they are classified as special events of the year.
All join in the Christmas spirit.

And what would you like for Christmas, young fella?
The Christmas season is a joyous time for most Americans. However, there are some because of circumstances beyond their control who do not look forward to Christmas time. Amongst these are numerous orphans throughout the country. But because of the thoughtfulness of Alpha Delta Sigma, a group of orphans from the Pomeroy Settlement House in Newtonville have an annual Christmas Party and receive gifts contributed by the brothers. Projects such as these certainly are rewarding both to the children and the fraternity. By spending a little time, something we all can contribute, the joy of the Christmas season was enjoyed by the children. They are truly a deserving group.

Santa is just about the most popular man around to these kids.

Everyone eagerly awaits the presents.
MAJORALTY

“Duke Farouk” became mayor of the Babson Institute campus in a precedent making rally, during Winter Carnival week. This added feature to an already holiday atmosphere turned out to be a huge success. Many organizations lent their support in order to make certain the mayorality contest had the support of the student body.
HONORS DAY

Once each year the outstanding accomplishments both scholastically and extracurricularly are rewarded by public acknowledgement at the Honors Day assembly. This year we were fortunate enough to have our founder present at the awards ceremony. Congratulations are in order to all the winners.

Glee Club in a medley of songs

Student Activities are presented by Council President Schofield

Senior Athletic award is presented to Robert S. Carroll

Great service acknowledged

Intramural certificates awarded by President Trim
Class of '38 President Garrity passes flag to '59 President Smith

Drop a penny in the jar

Pitching dimes for a goldfish.

ADS and Delta Sig battle it out.

Pie throwing victim.

Anyone for volleyball?
Good weather was the keynote of the Spring Carnival beginning Friday evening and climaxing Sunday afternoon. The carnival was fun for all in attendance. The highlight was the Bazaar & Blast at Green Acres which also included two softball games. The bazaar proceeds all went to charity.

Jazz blast in session

Anyone want a beer

A young man's fancy turns...

Oh, for a breath of air
