**Campus Activities Board**

CAB has managed to stay involved in many campus events due to the hard work of the Executive Board and department heads:

- **President**: Dan Trafton
- **Vice President**: Steve Marshall
- **Information Director**: Jason Sisto
- **Film Chair**: Ted Martinez
- **Lecture**: Gabe Weschcke
- **P/A**: Michelle DeSantis
- **Pub**: Kendra LaFauci

*Keep up the great work and thanks for entertaining us for yet another year!*
The Campus Activities Board (CAB) is one of the most popular groups on campus. The main goal of this organization is to provide Babson students with alternative activities besides drinking and Knight autotorium events. It has achieved this with events such as films, performing arts, lectures, and events at Roger's Pub.

Some of the big events CAB has organized include Spring Weekend, Winter Weekend, comedy night at the pub, coffee houses, and debates. CAB seems involved in everything and is always looking for more student involvement to help with planning and executing its activities.

This CAB T-shirt was given to the members of CAB for all their dedication and hard work that goes into sponsering campus events.
Over the last few years we here at the Free Press have tried our best to provide the Babson community with a school newspaper which we can all be proud of. The Free Press has been there to report controversy, as well as cause it. None of this could have happened, however, without all the wonderful people who gave it there all each week, for four years, just so you could have something to read at dinner on Thursdays.

I am very proud of the students and friends who have worked to make the Free Press into what it is today, and I thank them all. We have stuck together like a family should, and have put out the best newspaper this school has ever seen.

Admission Assistant Program

The Admission Assistant Program (AAP) was voted the Organization of the Year once again this year! All of the work they do certainly shows that they live up to this honor. The AAP has four divisions: Tours, Overnights, Ambassador, and Special Events. It provides thirty-two tours every week and gives prospective students a chance to experience Babson life first hand by allocating them a host who spends a day with them. Through the Ambassador program, nearly one-hundred students are sent back to their high schools to share their experiences at Babson. The Special Events Program includes open houses, and the hugely popular Basically Babson Day. The AAP has about 150 members. To coordinate such a large group, a dedicated group of leaders are needed:

- **Head Coordinator**: David Wackman
- **Special Events**: Kirsty Dryburgh
- **Tour Coordinator**: Craig Derryberry
- **Overnight Coordinator**: Krista Morsett
- **Ambassador**: Pam Bittner

Two members of the AAP help at Open House; this is merely one of the many activities which the AAP is responsible for.

Welcome to the first Babsonian to come out on time in three years! I hope that you all enjoy it as you traverse through its pages. I would like to take this opportunity to thank all those who made this Babsonian possible.

THE staff, who spent countless hours taking pictures, on phones, tolerating an incredibly slow computer, and lastly listening to me ramble on and on and on...

Donna Zinn, John Carrier, Bob and Jack McGrath, and Chris MacDonald, I couldn't have asked for a better team of support people who bent over backwards to help get this book out on time.

Marco Schiavo, Joel Aruta, Lisa Goodwin and all the many others who took those last minute sports photographs.

And last, but certainly not least, to the Class of 1995. Your spirit and enthusiasm (not to mention the 700+ pictures that you submitted) has been a tremendous inspiration in creating a great Babsonian. I wish all of you the best of luck as you begin your quest to Conquer the World.

Babson Christian Fellowship continued to provide members with a forum for worship, fellowship, learning, and evangelism. Members actively participate in weekly fellowship meetings, weekend retreats, trips to the movies, and local contemporary Christian music concerts. The BCF sponsored Anna Hutto, a music artist from Nashville, Tenn., who performed at Knight Auditorium. Through events like this concert, BCF helped promote the Christian spiritual and social life to the Babson community. Five members of the BCF (along with three non-Babo discussion leaders) spent their spring break in Spanish Wells, Bahamas. There the group relaxed, became closer friends, and admired Elaine’s beautiful island!

In the spring the group named Peg (Margaret) Rehill, a Marriott employee at Trim, as the organization’s honorary advisor because of her constant encouragement and genuine friendship. Thanks for everything Peg!
The Babson Dance Ensemble (BDE) is one of the most popular campus organizations. It is a coed dance company which is known for diversity in both membership and dance styles. Some of these include: jazz, hip hop, lyrical tabulation, techno, and partner dancing. BDE organizes one major event each semester; both of which have proved to be big hits this year with sold out shows. Besides its big performances, the BDE has performed at other events such as Family Weekend, the World of Wellesley, and Green Day.
