Dedication to our beloved classmate

Clotilde Araujo

“We’ll Remember You”

From the moment Clo entered into our lives, she made an everlasting impression. We all enjoyed Her sweet personality, so full of life, love, intense will, wit, and hope. She maintained a strong belief in herself, which enabled Her to face and cope with the challenges of life. As her classmates, we can admire her determination and her dedication to her family, friends, school, and work. Clo was by far one of the most unique and talented individuals at Babson; with pride we call her our best friend.

Clo’s dream in life was to travel abroad to Spain. Her journey was filled with moments of joy and happiness together as we explored Plaza del Sol, the bus trip to Marbella (the sea and the beach), Gibralfaro, and Seville (the orange trees and the statue for Clo). The feeling was swimming in the ocean, enjoying our friendship and our love for each other. The last days of life were special. She was with the people she loved and she was happy. Although she is no longer with us, she is now in the most beautiful place: heaven (in a field of flowers and peace). Clo, “You will forever remain within our hearts and we will remember you for eternity.”

With all the love in the world, your bestest friends: Maria, Sarah, and Heidi.
Memories to last a lifetime...

“So we beat on, against the current, borne back ceaselessly into the past.” F. Scott Fitzgerald
