It'll stay with us for the rest of our lives, the good times and even the bad times.
Darling Tonia, you are the star of my life,
You are the talent that has surprised me,
You are the light that always guides me.

From Plovdiv / Sofia to Addis Abeba,
From Palo Alto to Boston, Salamanca, London and Madrid,
From Egypt, Greece and Turkey to Beijing...

Be blessed in your road ahead,
Which, I am sure, will be paved with glory.
Climb all the peaks that you would like to conquer.

And give the world
the warmth of your love,
The never ending energy
of your creativity,
The reason and the vision
of your leadership.

PHELAN
Joseph

CONGRATULATIONS!
We are all very proud of you. You know I can’t
leave it at that, so of course I have found a
wonderful quote which I think says it all.

“To laugh often and much; to win the respect of
intelligent people and the affection of children; to
earn the appreciation of honest critics and endure
the betrayal of false friends; to appreciate beauty;
to find the best in others; to leave the world a bit
better, whether by a healthy child, a garden patch or
a redeemed social condition; to know even one life
has breathed easier because you have lived. This is
to have succeeded.” Ralph Waldo Emerson.

We know you will always do well in this
world. You’re motivated and enthusiastic
when meeting new challenges.

We love you Joseph.
Lots of love and best wishes
Love,
Mom, Dad, Kerry and the kids, Garrett and Martie

KATIE

Dear Katie,

We are so proud of you! You have grown into a magnificent young woman!
You have experienced so much while at Babson: September 11th, London,
Spain, Paris, Salem, MA on Halloween, Dublin on St. Patrick’s Day, Boston
Pops on the 4th, throwing ice in the bay, not to mention all of the good friends
you have made, the great professors and wonderful learning experiences. This
has been a truly magical time in your life, a time that you will never forget.

But now, you are off into the “real” world. Know that wherever you go –
whatever decisions you make in life, we are always behind you.

We are very proud of you.
May all your hopes and dreams come true.

If leadership is winning the respect of those you meet,
then you’re already a Captain.

If success is working hard to achieve challenging goals,
then you’re already an Achiever.

If wisdom is treating others as you would like them
to treat you,
then you’re already a Sage.

Graduation is a milestone, but it’s just
another day you make us proud.

May your dreams come true.

May you never know failure.

And if you do – we’ll love you anyway!!!

Onward and upward!!!
