The First Impression

The world we live in takes our measure by first impressions, for which appearance is largely responsible. The well dressed man looks the part he plays and finds a more ready acceptance among his associates.

Choice fabrics imported from the looms of England and Scotland are designed by Rosenberg to carry a distinction that becomes entirely your own in the wearing.

Representatives of this concern visit the leading cities of the country, enabling us to serve Babson patrons after graduation.

United Opinion Forecasts

The independent conclusions of UNITED business and financial experts alone would justify your fullest confidence because each is an acknowledged authority. But UNITED OPINION gives you more than the independent findings of our own staff. It brings you a balanced decision based on the weighted opinions of all recognized authorities plus our own conclusions.
