Students Attend Lasell Dance

A goodly number of Babson students helped to inaugurale the opening day of Lasell College when they attended the first inspection day last fall. Among those present were nearly all of the seniors and a large number of the juniors and sophomores.

This year's events are better realized every year. There is a general feeling that it is much better to have the dance be the first thing on the agenda rather than to have it come between the dance and the other events.

There are always many guests present, but this year there were not nearly as many as usual. The reason for this is that the present Lasell College is much smaller than the previous one. There are also fewer guests this year, but this number is still larger than in the past.

This year's dance was held on Friday at the Lasell College Auditorium. The students assembled at 8:00 P.M. and remained until 11:00 P.M. The music was provided by the Babson College Glee Club, and the dance was sponsored by the Student Council.

The dance was enjoyed by everyone present.

DAYTON BROWNS

Junior Class Loses Member

During the spring term the Institute lost one of its most capable members and leaders. The class lost a staunch supporter and a devoted student.

Daggs Brown, a graduate of Wellesley Senior High School, in June of 1919, Daggs Brown's passing was not only a personal loss to the school, but also an irreplaceable void in the lives of those who knew him well.

Daggs Brown was a member of the Institute for many years. He was a loyal supporter of the school, and his contributions to the Institute were invaluable. He was a dedicated student, and his academic achievements were outstanding.

Daggs Brown's death was a shock to everyone who knew him. He was a beloved member of the Institute, and his passing was deeply felt by all.

The news of Daggs Brown's death was a somber reminder of the fragility of life. It was a tragic loss for the Institute and for all of those who knew him.

Caveat Emptor

By LAURIE BEAULIEU

The Student Council has recently announced that several candidates have been put into effect this year for solicitation of candidates for the Freshman Class. The candidates this year will be chosen by the members of the Student Council.

The purpose of these candidates is to inform the students about the benefits and opportunities that are available to them. The candidates will provide information about the different clubs and organizations on campus, as well as the different activities and events that are taking place.

The candidates will be chosen by the Student Council, and the selection process will be based on the candidates' ability to provide information in a clear and concise manner.

The candidates will be expected to attend all meetings and events that are taking place on campus, and they will be expected to be available to answer questions and provide information.

The candidates will be expected to provide information about the different clubs and organizations on campus, as well as the different activities and events that are taking place.

THE BABSON BEAVER

The following students have maintained a cumulative average of 3.6 or better for the second semester of their junior year and have been placed on Deans List. I assume that the new regulations are not to take effect until the end of the fall term.

Name | Cumulative Terms | Average
--- | --- | ---
Adair, Sidney A. | 3 | 0.8
Allen, John P. | 5 | 3.6
Ammunson, George R. | 3 | 0.8
Ammunson, Herbert A. | 6 | 0.8
Babcock, John G. Jr. | 6 | 0.8
Behrmann, John W. | 5 | 3.6
Brooks, Leonard J. | 5 | 0.8
Brown, Lawrence M. | 5 | 3.6
Bryce, James A. Jr. | 6 | 0.8
Butler, Donald P. | 6 | 0.8
Chang, Donald W. N. | 6 | 0.8
Dobbert, Robert J. | 6 | 0.8
Duffy, William H. | 6 | 0.8
Eidler, Harry F. | 6 | 0.8
Gosmer, Thomas F. | 6 | 0.8
Guertin, C. Earle | 6 | 0.8
Hammett, Howard W. | 4 | 0.8
Heinemann, James W. | 4 | 0.8
Hillery, Robert P. | 3 | 0.8
Lerry, William B. | 6 | 0.8
Lowenberg, William M. | 5 | 0.8
McArthur, Robert W. | 4 | 0.8
McDermott, John T. | 5 | 0.8
Menage, Robert D. | 6 | 0.8
Newton, Robert J. Jr. | 6 | 0.8
Phillips, Joseph H. | 6 | 0.8
Saunders, William H. | 5 | 0.8
Simpson, Donald R. | 5 | 0.8
Tashjian, George E. | 6 | 0.8
Vaillancourt, Charles E. | 6 | 0.8
Whitall, William J. | 3 | 0.8
Zach, John H. | 6 | 0.8

A. X. E.

Alpha Chi Rho has announced an open meeting to be held in the Union's "B's at Babson" on Monday, October 10. All students are invited.

Our Mutual Enterprise

As an example of just how practical our business training is, you will see in this issue a group of students who were involved in the adventures of one of our 1948 graduates named Chester Johnson. He was on his way by automobile to look at a job which he had been offered in Atlanta, Georgia, and had made a detour to visit his alma mater, when he noticed an elderly-and distinguished-looking gentleman who was having trouble parking his car. Chester offered to pull it in for him and did so neatly and efficiently. The elderly-and distinguished-looking gentleman then invited him to lunch. In the course of their conversation over lunch, he asked him what he was inspired to do to Chester's background and training and future prospects.

Learning that he was a graduate of Babson Institute and looking for a job, he invited him across the street to the bank where he was to be President, and called in two or three of his associates to question Chester about his preparation. As part of the quiz they presented him with various current problems in which a decision was immediately necessary. Chester looked over the papers in each case, and as he reported later, he thought the experience very valuable and that he would be well prepared to face the job which he had been offered down there. Even if he does not take it, I think the unbiased testimony to the essential preparation which a Babson education here at Babson is most interesting and encouraging!

R. B. HENRICKY

Casting Events

Never in the history of Babson Institute has the student body been given such an opportunity to hear as many top men in business and education as will be presented in the fall of this year. The President of the Babson Institute, Charles J. Babson, has announced that he will shortly call his first officers and give them wholehearted support. The more than 25 years of Babson will be a story of more than personal achievement, for Babson told of the problem in the Balkan situation and the probability of the next year. The explosive nature of the situation and the probability of other war were also cited as factors contributing to the present concern.

A. X. E.

Mr. Brinkman then extended a sincere welcome to the President, the Finance, and Students for the current year. This period will be devoted to the collective efforts of the faculty of education, spiritual guidance, and the work team will be abolished.

Student Council Elections

The following males were elected by their respective sections to serve as members of the Student Council:

---

Russell W. Willis, Jr. --- Lawrence B. Pfeiffer
William F. Sauder --- Gerald P. Bier
--- Thomas F. Gaynor
--- Thomas W. Wells
--- Hugh Flinders
--- Philip C. Gagnon
--- George L. Ayer
--- Ray H. Netherby

---

Treasurer of the College shall hold on the calendar to be held in the Union's "B's at Babson" on Monday, October 10. All students are invited.
Bryant Takes First Game

Last Tuesday afternoon, Bryant Hall opened its football season by overpowering the College. There was one.unexpected situation: the Off-Campus Junior team that refused to be reweighted. The score was 20 to 0 but it was Bryant’s superior numbers that gave them the victory. Four full teams of Bryant were on the field while eleven men represented the Juniors. Bryant scored when Hill, when Turner dimmed a 46 yard drive by soring from 8 yards out. Then just before the end of the first quarter, ten more points were scored on an end run traveled 90 yards for Bryant’s second TD. The key kick on the play was thrown by Manny Pombo and Pombo also caught a pass from Johnny Gaynor for the extra point. Rennie Armbruster scored for the Seniors in the third period at the end of the Juniors’ only organized offensive of the day. Immediately afterward, Frank Schleifer reversed his field and raced 46 yards for another score for Bryant. In the last period, Hallman tossed a 45 yard pass to Ray Bauer who was all alone to the end zone. Gaynor then passed to Hank Haskell for the third TD.

Coleman North Defeats Rebels

The boys from Coleman North showed last Tuesday afternoon that they were a power to be reckoned with in intramural football this season when they overpowered the College 12 to 0. Pete Moore, a candidate for the Sophomore Quarterback, was intercepted a South pass and on the next play put the ball on the 8 yard line. In the next play Chuck Pratt on a right end sweep and, after receiving a block from Paul Manor South by a score of 12 to 0. The Off-Campus Seniors were on hand Monday afternoon for their game with Park Manor South but the Manor boys failed to show up as the Seniors had a game assignment. Although there were some players from other squads on hand, the Seniors showed enough power to be rated as one of the top squads in the Buffalo football league.

PMR Loses To PML

Park Manor South lost its first win of the new football season last Monday afternoon when they overpowered Park Manor South by a score of 12 to 0. As the score indicates, PML was in control most of the way. Most of the action was concentrated in the first 2 minute period of the game. Larry Brown tossed a 20 yard pass to Johnny Merker in the first quarter for a TD and just after the second half started Brown carried the ball on a right end sweep and, after receiving a block from Paul Manor South, ran 48 yards for the second score. Park Manor South never did get an attack started, their main difficulty apparently being a lack of good runners.

Outstanding for PML, effectively were Lacey Brown and John Mater while defensively Rolf Salmine and Jim Meyers spent most of their time in the middle of South’s backfield rushing the passer. Dave Stevenson stood out in a losing cause for PMR.

The Off-Campus Seniors were on hand last Monday afternoon for their game with Park Manor South but the Manor boys failed to show up as the Seniors had a game assignment. Although there were some players from other squads on hand, the Seniors showed enough power to be rated as one of the top squads in the Buffalo football league.

Athletic Program Announced

Punch Bowl Points Told By Mr. Burtis

The sports column this week will be devoted to matters of general interest concerning all phases of the athletic program for this fall. We will endeavor to give you all the information needed for all fall activities.

You are not too aware of the beginning of the sports season. This is the time when the Intramural Program begins the new season. Intramural sports are not for the expert. They are for the beginner. Anybody who wants to take part in the activities should be able to find a place in the schedule. It is not too late, however, to sign up for the Intramural Program. There are still several spots available in many of the sports.

Intramural sports are not for the expert. They are for the beginner. Anybody who wants to take part in the activities should be able to find a place in the schedule. It is not too late, however, to sign up for the Intramural Program. There are still several spots available in many of the sports.

The Council feels that in the two week period, you should be able to find someone from another dorm to play 3 rounds with. Also, it is a good way to meet your school mates. For tennis, the balls can be checked out from the gear locker. If your Intramural Council does not have a tennis ball, you might bring this to the attention of the Intramural Council. For golf, the course will be held on Saturday or Sunday under any circumstances. The Council will try to make the most of every playing opportunity. You might as well get reconciled to the fact that anything short of a divot will be considered playing weather. Another important item is that the punch bowl will be played for all games for the league. This schedule will be adhered to in all cases except a dropout and unscheduled closure. However, in case of the latter, unless notification is given the Athletic Office TWOOD (2 days) in advance, it will be called a forfeit. You have been encouraged to report all good trips as soon as you hear of them. You might bring this to the attention of your instructor also. If in doubt of who to contact, call the Intramural Office at 295-0638.

The Off-Campus Seniors were on hand Monday afternoon for their game with Park Manor South but the Manor boys failed to show up as the Seniors had a game assignment. Although there were some players from other squads on hand, the Seniors showed enough power to be rated as one of the top squads in the Buffalo football league.

Stew's Views...

Just to get the new year off to a good start, we'll once again subject you to some more of the same old stuff.

Oh, I know, it's a bigger and better paper and all that, but, just like wine, women, and song, this is just one of those evils you can't get rid of.

Only difference is that nobody wants to get rid of this one...

Stew's Views

President Will Speak in Chicago

Dr. M. H. Rehrer has recently accepted an invitation to speak on October 10 before the Midland Research Council at the Empire State Hotel in Chicago. The Industrial Research Council is a branch of the National Research Council and is composed of many of the top executives of industry in the country. It is indeed an honor that the President of Babson Institute should be invited to speak before such a prestigious group of top men.

F. A. C.

With the first few weeks of school completed we are all beginning to get back into the groove again.

If your interests fall along the line of world progress, international science, the import-export trade, indeed anything from the Atom Bomb to Jainism, then you may find the open meeting of the Foreign Affairs Club at the Edgewater Beach Hotel Sunday morning of particular interest.

The meeting will begin at 7:00 P.M. sharp and after a brief outline of the club's purposes and proposed activities, there will be a program of moving pictures on world affairs. This will be followed by coffee. Everyone is cordially invited.
