Mr. Robert C. Shaw, student Council President, has discussed this idea to the Student Council for further student consideration. It has been of interest to Babsonmen for some time. Mr. Shaw's statement was:

"Students Futon"

A member of men has approached me to look into the possibility of having a name within the existing budget. It seems most acceptable from the point of view of payment of $1.50 per couple payable on the second of February. The third and last possibility would be to continue, as in the past, with a weekend meeting.

Mr. Halla, although now in this country, had announced that there would be the Saturday formal dances when Babson found Copp spending his "vacation" as a junior accountant in the stock room of the New Jersey branch of the International Harvester Company.

"Student Life Under Commies"

The opening assembly for the winter term proved very successful. Robert J. Halla, a former naval student, spoke on the Communist regime in Czechoslovakia. Mr. Halla was expelled from the University of Prague for underground work against the Communists. Mr. Halla became a reporter but was forced to reschedule his home country and then return. Mr. Halla explained that there was a lack of real criticism and propaganda against the government because in 1945, the Communists were allowed to take part in the anti-Fascist government. They were a strong party, but by 1946 they realized they would never gain control of the government except by force of arms. Therefore, it was a good thing that the free press was never allowed to publish any criticism or propaganda against the government.

"Winter Carousel At Wellesley"

February 17, 18, and 19 mark the dates of Wellesley's fiftieth annual Winter Carousel when paper people will reign over the campus for a weekend of fun and frolic.

The most practical "panacea" on the grass of the Brooklyn chapter of the American Red Cross is a man. What's more, William M. Morgan, a retired official of the Brooklyn chapter, is so interested in the subject that he will talk at length about it.

Mr. Morgan ran the full gamut of "gray lady" duties—writing stories, letters, recording outline, and even assisting in a military writing service for women. As a lawyer and tax expert, he was often able to give to the end the greatest possible extra in way of advice.

He is a keen lover and gardener, he has organized concert parties and listening groups among the patients and helped to set up a garden on the hospital grounds.

Thus the Brooklyn Red Cross made Mr. Morgan an "Honorary Gray Lady" in 1931, and his continuing services prompted the disinterested, to announce the formation of a medical service in the hospital.

Babson Dumps Oxford 57-38

At Gardens

Babson Institute returned to Boston Garden for the second consecutive year on Thursday, January 19 meeting Oxford College. Babson was after revenge for last year's defeat at the hands of Oxford in an overtime game, and it won with a remarkable mid-first quarter finish in the closing seconds of the overtime period.

The starting line up for Babson was Brown and Lawry at guards, Sturges, Sillers and Turner in forwards. Babson's partnership was high man for PML as he engineered their third period drive that led and although they slumped badly of shots were the difference between Babson, who finished the game played at Pursey Gym.

Babson outscored Oxford 12-6 in the final half as Bill Lawry and Chuck Sturges led them to an early lead but inferior shooting caused Curry to fall 19 in 11 lead after 11 minutes. In the last Oxford could only boast two field goals while Sturges and O'Brien of Curry put up 8 points. The game was very close to the jumpers to take a 21 to 17 lead at halftime. White shot by Sturges was a key for the rest of the game. Curry's third straight win. With a fast break converted bad passes into baskets.

In the second half the Babson forwards pressing hard and forcing play all area. The lead was held by the Eager Billays were quickly converted into points by the Curry Collegians.中午 Turner was able to get through the positive for the (2) baskets but the much published Jim Lewis of Curry was then the whole show during the second half as he scored 23 points and led Curry to its (2) points. The man for Babson was with 12, points in the second half and Bill Lawry found hard to keep the (1) man together. Babson got much support from anyone Turner. Many will watch for this match that should have been turned into pure to open the season, but we hope it was just an off night for all concerned.

Late News For Swimmers, Bowlers, Pingpong Players

Many of you bantam that have been asking about the competitive swimming schedule for this season will be happy to know that it is now out. All meets will be held at 7:00 on Tuesday evenings, starting February 14, and will be held on the four proposed meets are completed. In other words, the three times are February 14, 21, 28, and March 7. The four-octopus teams find that this time is a handicap to them, there is a possibility that they will be asked to select an afternoon on which they can make it. Such a decision will be made at a later date. All teams have the opportunity to practice a half an hour before the time of the meet, but it is suggested that you take advantage of the pool during other times.

Hey! Any color. Some mention that this is the "next day". Each, of you should be in contact with your intramuralingleaguerepresentative and signify as to when the would be more preferred. If there is a greatly desired change on the part of you bantam, such a change will be made. However, the schedule for next Monday evening will still be in effect.

With regard to the Ping Pong Single's Tournament there will be brackets in the Gym starting at 1:00, 2:00, 3:00, and 4:00. All the games in the first two rounds will be between 1:00 and 2:00 will play in the 1:00 bracket and so on. The last two rounds from 2:00 to 3:00 will play in the 2:00 bracket. And so on. Anyone is asked to send in registration forms by the part of you bantam, such a change will be made. However, the schedule for next Monday evening will still be in effect.

Boys and their parents left little to Seniors in action most of the time and called curling the game by the busy of the Seniors.

Textron is one of the leading manu­facturers of consumer products, with operations in a variety of industries. However, during the first quarter of 1949, leading concerns may be hampered by the fact that its present organization has been rather rapidly put together. This trend not only results in failure, and probably won’t, but it is a consideration which makes the stock more precarious. Those who have had a more normal rate of growth. Selling now around $1.50, the stock, since the end of 1948, has had a price range of 25%–5.

**European Trip Well Favored**

Interest in the proposed European trip is running high, according to Mr. John D. Montgomery, Director of Stud­ent Activities. Those who wish to make the trip should at least leave their names at his office soon. Registering at this time does not obligate the student, but gives Mr. Montgomery a better pic­ture of requirements for the trip. At present, Babson Institute has re­served 22 seats on a Pan-American steamship. For the trip to London on August 9th. If more students are interested in signing up for the trip than 28, it may be possible to reserve more seats. That is the reason Mr. Montgomery would like to have all interested students to leave their names at his office as soon as possible.

The junior year brought with it some new activities. Coppie became a member of Alpha Delta Sigma, acted more frequently, and spent many hours fill­ing with the terrors of his squad­poon. But this orderly situation suddenly went topsy-turvy.

As a member of the Austin club, Coppie, along with his family and friends, enjoyed some pleasant moments in South Orange on July 1. And his parents, and probably won’t, but it is a consideration which makes the stock more precarious. Those who have had a more normal rate of growth. **Bermuda Trip For Students**

Mr. Charles Heartfield of the Wel­lesley Travel Service and a member of Babson, class of '41, has planned a Bermuda trip for students during the spring vaca­tion for the students of Babson. This trip is an all expense affair and includes such activities as Cocktail Parties, Dine­ner, Beach Day, a sailing regatta, as well as Round Trips on the plane. The trip is open to students of the other local girls colleges. Bob O'Connor, Park Manor 500, has been appointed assistant representative and hopes that those students who have never been to Bermuda will take advantage of this opportunity to make the trip.
