Mr. & Mrs. Babson Here From Lakeside, Fla: At Babson Hour Soon

A great many stories are told about Mr. and Mrs. Babson who have just returned from another gaiety excursion. It seems that Mr. Babson has prepared charis that reflected the gaiety of his adventures to the sensuous Babson enterprises. A conference was called to discuss the charities and personally every "peak" and "valley" had been analyzed and explained. But one thing is certain, the "prospects of the "peak" remained a mystery; it seemed that there was no rational explanation. Noting that the same phenomenon could be traced to several past years, Mr. Babson spends many hours-conv.ing his friends, keeping up with the news and viewing an occasional movie. Walter Company, founded by Mr. and Mrs. Babson in 1907, only eight miles away, holds in every reas­on a Conference and Lecture lest.

This year Mr. and Mrs. Babson, cele­brated their silver wedding anniversary while in Florida. Personals of the Institution, Babson Alumni, and Babson Reports Organization consisted forces and surprised the multitude by presenting a movie pro­jector to Webster College in their honor.

Another, and, startling, Indication of their return adventure is the announcement that Mr. Babson will speak at the Babson Hour, in the City Auditorium at 6:30 p.m. on Monday, May 14.

PHILLIP J. TAYLOR

Dormitory Officer

One year ago he was "called to the colors" and served as a private in the 18th Engineers at West Point. There he taught Field Training to the Cadets. He is the fourth son in a family of six. His parents are Mr. and Mrs. Taylor of Portland, Maine. He was educated in the public schools of Portland and holds a B.A. degree from the University of Maine.

Mr. Taylor is the noted "blue" of the dormitory. He has an interest in the current events and literature of the world. He is a member of the Phi Gamma Delta fraternity and is an active member of the debates society. He is a member of the B.A. society and is active in the social life of the college. Dormitory Hour

The first Dormitory Hour will be held on Wednesday, May 2, at 7:30 p.m. in the Library. The program will consist of music, readings, and a discussion of current events. The purpose of the hour is to provide an opportunity for students to relax and socialize in a non-academic setting.

COMMITTEE MEETS

The Student Life Award Tournament Committee met on Thursday, April 11, to discuss the results of the tournament. The committee was pleased with the outcome and is planning to host another tournament in the future.

Join us for the next Dormitory Hour on Wednesday, May 9, at 7:30 p.m. in the Library. The program will feature music, readings, and a discussion of current events. The purpose of the hour is to provide an opportunity for students to relax and socialize in a non-academic setting.

Sponsored by the Student Life Committee, the Dormitory Hour is a chance for students to unwind and engage in meaningful conversations. This event is free and open to all Babson students. For more information, please contact the Student Life Committee at studentlife@babson.edu.
Dear Students, Faculty, and Members of the Babson Institute Family:

I would like to take this occasion, on behalf of the President of the Babson Institute, to extend my thanks to all of you. As a result of your efforts and the hard work of the staff and faculty, we have been able to make substantial progress toward the completion of the new facilities. In particular, I would like to extend a special thanks to those who have contributed their time and effort in order to ensure the success of this project.

Babson has a long history of innovation and excellence, and I am confident that the new facilities will continue this tradition. We are committed to providing a high-quality education to all of our students, and I look forward to working with you all to achieve this goal.

Sincerely,
[Signature]
President, Babson Institute

On Campus Two Matches Army Harvard

The Intramural Softball League is off to another fast start this term with all teams having been in action at least once. Rain has halted action twice already but continued fair weather will enable all games to be played. One notable fact about the teams so far is the lack of good pitching on the opening day of play. Only one game that appears to be fairly well set in the pitching department is the Colman South-Clark Players game, where Bill Peffer of last year's Champions Colonials-Pauls team was new here. All other outstanding lensmen have graduated or left school and so far no men have appeared to take the place of those departed.

Four support and willingness of the pitchers has played an important part in the games played to date but as the season progresses the situation should improve. Bob Depraz of the Off-Campus Seniors has pitched two good ball games so far as has Bob Rogers of Bryant. Both of these men have not been too bad opponents because of the hitting of their teams. Reese plus good support all right.

The Seniors have scored 31 runs and given up only 17 in the two games played so far while Bryant has scored 56 runs and given up 31 in three games.

Renee runs over the Frogs have been numerous even though the season has just started. Lou Bishellworth of the Seniors line-up of the day was not a good man but continued fair weather will enable all games to be played. One notable fact about the teams so far is the lack of good pitching on the opening day of play.
