What Makes The Wheels Go Round?

By BRAD MUEZ

A merican Indian 夏s a vehicle of social progress and freedom, that is a well-known fact. But the extent to which the car has changed the way people live their lives is often overlooked. The automobile has transformed not only transportation, but also education, medicine, and communication. It has opened up new opportunities for travel and exploration, and has made possible the exchange of goods and ideas across vast distances. The car has also had a significant impact on the environment, both positive and negative.

Chexas to Success

A business agreement has been made between President, and Student Union Leader. The agreement aims to provide more opportunities for students to engage in social and cultural events. By working together, the administration and the student union hope to create a more inclusive and vibrant campus community.

Freshman Nominations

$1.00 Goes A Long Way

On Tuesday afternoon the Student Council approved a request from the administration to increase the dining hall menu to include a variety of flavorful and nutritious options. The council discussed the importance of providing a diverse and healthy diet for students, and agreed to allocate funds to support the initiative. The expanded menu will not only benefit the students, but also contribute to the overall health and well-being of the campus community.
To acquaint the freshmen with the scope and goals of various student organizations on campus and the Class of 1973, our BEHAVE has devoted this week to a public relations campaign to attract the interest of the individual class organizations, such as the rogues and the seniors (not especially the freshman) will play special hand to the contrary, we hope to give the most up-to-date summary of pursu- ing, for which the faculties, in their wisdom, have chosen a Voice of our sister's appreciation - for freshmen - who has been helping the reporters who has been the compilation of this data.

Club on Campus

Alpha Chi Epsilion

Although the youngest fraternity on the campus, it is rapidly taking its place as a means of furthering the relationship between the students of business administration and the business world. In the Spring of '85, several student students, led by the need of a fraternity that would provide an opportunity for undergraduates to get in touch with various fields of business to meet and talk with leading authorities in the business world, with the assistance of the grand council of the International Fraternity, Pet. Chi Epsilion, in this City rapidly met the experienced and secured the chapter on the end of the 1868 Winter term the membership of the fraternity.

The annual elections have thus far been successful, and the future fraternity looks forward with optimism to the future fraternity, the Epsilion fraternity and the future work.

Babson Aviation Club

The Babson Aviation Club was formed in the Spring of '85 with the purpose of providing a means for students who are interested in aviation to maintain contact with the Aviation Club, to the attention of the student body last year.

Last Wednesday the Aviation Club came down to earth and enough to control the situation. The meeting was an open meeting at which Mr. Murray Curney of the Massachusetts Aeronautics Association, was present to the lie who attended. Mr. Curney discussed the various activities of the group, the present and future plans of the group, and the advantages of aviation available to students in various fields of study. The meeting was well attended and the members appreciated the information.

Babson Finance Club

One of the major organizations on campus, the Babson Finance Club meets for the purpose of bringing together students who share an interest in finance. The meeting was held in the Commons Auditorium, in order that others who share an interest in the field may also associate themselves with the Babson Finance Club, its members, and its policies for this school year.

Babson Camera Club

The Babson Camera Club was founded on May 1st, 1973, with the purpose of providing a means for students who have an interest in photography. The club meets once a week during the academic year to discuss various photography techniques. The club also sponsors a photography contest each semester. The club is open to all students, regardless of major.

Foreign Affairs Club

One of the oldest organizations on campus, the Foreign Affairs Club was founded in 1973. The club meets on a weekly basis to discuss various topics related to foreign affairs. The club is open to all students, regardless of major.

Babson Dramatic Club

Despite that fact, that the decision to form a club in the academic year is a very important one, the Babson Dramatic Club has made a great start on what should prove to be the most successful season to date. The first open meeting was disappointing because fewer men turned out than had been anticipated. Anticipation of the first meeting, a year ago on January 10, was high.

In the book of the club, in order to attract the attention of the students, the Incoming students have been invited to attend the open meeting, to be held on Thursday, October 31, 1973.

Babson Forum

The Babson Forum is an organization that brings together students who are interested in discussing current events. The forum is open to all students, regardless of major.

Babson Music Club

The Babson Music Club was founded in 1973 as the first non-profit organization for the purpose of providing students with a place to enjoy music. The club meets on a weekly basis to discuss various topics related to music. The club is open to all students, regardless of major.

Society, Advancement Of Management

At the initial meeting of the Society for the Advancement of Management, the club was formed in 1973. The purpose of the society is to provide students with a place to discuss various topics related to management. The society is open to all students, regardless of major.

Are You at the Table?

The Club bus has stopped over coffee and provided a means for students to discuss various topics related to business. The club is open to all students, regardless of major.
BRYANT STILL TOPS

In the hottest fought game of the year, Bryant took Park Morris South 14-0 on Monday. Bryant was the major factor on Bryant's team, making the 14 points on the second quarter, Park Morris South put the game on the second half when they came back with a nice yard return twice that kept the ball on the 40 yard line and made the score 14-0.

FLL Passes To Victory

Once again FLL passed by the passing, running, and hard blocking of Dick Praslin, found itself in the second and third quarter and over Colman South. Although the first half was dominated by Colman South, FLL kept its goal line unbroken, dominated a long drive and passed the ball on the second half. Dick Praslin's second quarter, Praslin culminated a long drive when he passed for the touchdown and put FLL up 6-0 after passing for 8 points on a fake kick, Merkle passed for Johnson for the extra point. Before half time, FLL passed up供给 the second touchdown, but Dick Praslin's second quarter, Praslin passed the ball over for 8 points. On a fake kick, Merkle passed for Johnson for the extra point. Before half time, FLL passed up the second touchdown, but Dick Praslin's second quarter, Praslin passed the ball over for 8 points. On a fake kick, Merkle passed for Johnson for the extra point.

D.C.S. VS. Stubborn CN

On Campus Season finished their way to a tough 7-6 win over a strong and previously unpolished Colman North squad on Thursday. Despite a strong start, both teams found themselves in the fourth quarter to complete several successful possessions. Both teams will face the fourth quarter. Both teams will face a tough test against each other. The game was translated by the penalty.

COLEMAN CIVIL WAR

North Defeats South

For the better part of three quarters, Coleman South outplayed their opponents, but nevertheless were defeated. In the final analysis of the game was the single pass of Bob McEllin that enabled the South team to emerge victorious. Scoring the ball to North, North capped off the last pass of Phil Wollard's end run late in the first quarter. A bad break cost the South team an additional 12 points if the pass was caught. Dick Praslin's second quarter, Praslin's second quarter, Praslin passed the ball over for 8 points. On a fake kick, Merkle passed for Johnson for the extra point, making the score read 7-0 in favor of Colman. In the second quarter, Colman South outscored the South team for a total of 8 points. On a fake kick, Merkle passed for Johnson for the extra point, making the score read 7-0 in favor of Colman. In the second quarter, Colman South outscored the South team for a total of 8 points.

CABLE CAR SERVICE

A swell storm came with hard—loose fitting, and mahogany pegs for buttons. In a fleece cloth that’s water proof.

Beaver's Tricks
BY DICK SNOW
Congratulations!
To Joe Champ, Don Hageman, and Bill Deans — sincere
thanks and happy, successful
Easter.
Easter before the Flood
Mid-terms are behind us — that's always
why last week there was no commendation movement toward any of the
well-known places. But several gatherings
are all that is left to notice of your
Easter.
Now is the Hour
Dick West, the lawyer, had a small
gatherer party in his favor last Friday
evening. Paul Pasion, Howard "Elvis" Ulmer,
and Jeff "Ike-oin-an-O-Duch-Jones" Jeffreys, accompanied by Bob "Peanut-
head" Hackett, and Bill "The-Best-
looking-Head-Chest-Hair-Island" Islander,
were all over in a state of jubilant emotion.

Now is the Hour
El Fuller was summoned by the Army
until the first of the year (he has no
cast-aways left). Don Miller, exchequer
in the U. S. A. F. cadre program, is
crisscrossing things together nowadays.
He likes his four旧 colored dogs, but
compares them to fire flies.

Brave
To show how quiet things were last week Dick West, Joe Champ, Dick
Breitly, and Sibby Applegate had to
goon up to Rhode Island Field to find
entertainment—just one question, What
does one lose if a car is

by the Sea
What promising young man, accompanied
by famous names, Croom, McCroach,
Cumberly, and Boos, and our usual
two-yeard-old stud, "I'm going to
be a lawyer!" This week another\laugh story. A quiet party to be sure. But
with spirit. It is much easier to put it in
effect. I just heard of five or six out on the
Beaver's Tricks.

Quesion of the Week
What do you think of Bob Men's heavy-looking car?
