When Judge Allen Underwood the Clerk of the Court, opened the new building for the Babson College at 9:30 this morning, he was met by a crowd of over 1,000 students gathered to witness the opening.

Mr. Underwood gave a typical speech, stressing the importance of education and the need for a good education in order to succeed in life.

The opening ceremony was followed by a parade through the streets of Babson, headed by the Babson College Band. The parade continued until 11:30 a.m., when the President, Dr. Blinn, introduced the dignitaries present.

The speeches and opening ceremonies were followed by a luncheon for the faculty and staff. At 12:30 p.m., the classes began.

Athletic Awards Given; Winter Sports Planned

The Pull Athletic Assembly was held yesterday at Mr. Burns and Walt Torchey presided over the activities. After reviewing the Pull Winter sports, which were completed for the first time before an assembly was held, M. Burn

loosed the letters, theCertificates, ribbons, rhinestones, and cups to the recipients.

CHAMPS GET LETTERS
The following men from Brent Hall, football champs, received certificates and ribbons: Terry Zihlman, Rich Taylor, Walt Turner, Dick Burtley, Tom Silo, Bob Cooper, P. M. O'Quinn, Bill Schaefer, Mr. M. Zinn, Jeff Marshfield, John Glenn, Bob Hallman, Bob Haney, Tom Cogger, Bob Pauliner, John Favorito, and Doug Bour. Bob Hallman, captain of the squad, received the plaque for the team. The first five finishers in the Cross-Country Run were awarded ribbons.

They were: John Maker of Pull, 1st place; Bill Halladay of CB, 2nd place; John Morris of PB, 3rd place; Bob Beiler of CB, 4th place; and Lloyd of Pull, 5th place. The following men received certif-

icates and their names engraved on permanent cups which remain in the school's possession: Golf, Ernie Watch of Pull; Tennis, M. G. Holder of PB; and Tennis Doubles, Ray and George Sign of PB.

WINTER SCHEDULE OUTLINED
After reviewing the awards, Mr. Burns made several announcements concerning sports for the Winter Term. The basketball league will function in a double round-robin basis with each team playing twelve games. Players who play varsity ball may also play in this league as well as play. If the team fails to win two games they are out of the league completely and cannot compete with any other team as was done for this fall.

The Bowling Leagues, both Ten Pin and Candle pin, will roll their matches over at the Nethersoll gym on Monday nights starting at 7:45 pm. Both leagues will begin the same night as the same place.

Squash, handball, and swimming tournaments will be held under the points system. Mr. Burtley suggested that the participants sign up to be on the team. This was suggested because the combination of several teams makes the old squad obsolete.

There will be five championship tournaments during the winter term which will put the players to the next level: Ping Pong, Badminton, Pool, and the swimming tournaments.

Individual Events. Memorial Trophy.

COMPETITIONS EXPLAINED
Mr. Burns also reviewed the rules for conditioning several of the teams for the remainder of the year. There was poor team spirit in Pull Manor because men living across the hall from each other were playing on different teams. There will be even fewer men living in Coleman for the Winter term and having two teams would have proved difficult. Additionally the new gym hang -

the off-campus teams but these teams have more in the past that they can win without help. Last year's Steers were commented on as they won the football game by not losing this game. This year's seniors last won the basketball games at Junior and have the whole team back again this year.

There will be a swimming club dur-

ing the winter term for those interested and if there are enough good swin-

ners, informal meets will be scheduled with outside teams. The team for the pool will be aquired from the year locker not the pool, during the Winter term. The pool tables in Park Manor will be opened after Christmas, for the students as long as there is no damage to the pool. If the same vandalism occurs this year the pool will be closed.

BASKETBALL GUNS UNPERSONALized
An announcement was made that the Vanity basketball squad would practice next Monday, Tuesday, and Wednesday at 9:30 and any men not yet out for the team and desiring to play must show up at the Monday practice.

Sports

The sports teams at Baldon during the past two weeks have been relatively active since the Football season ended after Thanksgiving vaca-

tion came. We have already and about about that. Mr. deKnight's Yale-Yale class, this winter will dis-

perse with very few exceptions but those who have played for the Yale-Yale squad the Saturday afternoon will have to know whether or not the team will be breaking up at the end of the month.

Mr. deKnight stayed here over the weekend of the game. Oddly enough we were watched more TV than worked on Analysis.

A week ago last Saturday this winter had the privilege of attending the Pull Athletic Assembly at Northwestern University, Boston University, Boston College, Tufts, Amherst, Smith, Holy Cross, New England College, University of Boston, and Bowdoin. The New England Intercollegiate Ski League, as well as the hostel Northern, were also represented at the meeting and the four hour, rules and regulations for the winter season were passed. The rules for this season were also drawn up and will be found elsewhere on this page. With the present status of the Conference it has been in existence and the possibilities of more Naw schools joining have been discussed. Perhaps some of you will want to participate. About one of these days we may get this ski league out of a little race. If anyone has any ideas where the ski team can pick up in 1960, let us know immediately.

PMS AND PUNCHBOAT

Organizations to be held in the Punchbowl Hive for the first third of the season. Oddly, even more so than every other year, Gary Stone for winning the tennis singles, to his partner George Sturgis for capturing the doubles, and to Bruce Welch for his golf triumph. The re-

sults were rather predictable, but so was the sport.

A warning to the lessees, however, the whole time starts and so does the shouting of the crowd in the right-spook-mark yours lips.

This corner's venture into the foot-

ball season was not entirely without some sort of better health such as Army-

Navy, Holy Cross-Boston College, and Notre Dame-Syracuse. Both games should never be predicted by anyone other than that of the

Sure that the Red Box has signed also one of the men who has going to do with him, have they plowed? That's all they have done. We don't know where he's going to go, but his progress is certain.

If You've Got Cash!

By HARRY JEFFREY

Why not go out, Jack? This weekend is filling the books with shows. Take a look at the cinema, or if you're in the mood, try the Theatrical Institute. You'll find that there are more shows for you to see than you can manage.

Just in case nobody finds the hint about Dungin Park that I've put up for your enjoyment, let me remind you of it. We are told that there will be a show of the famous Dionne quintuplets this week in the Sunken Garden. The show is expected to last four days.

Duke Silliman and his band, having graduated from the High School, are now at the Dalton Theatre. I hope you can see the performance. However, the biggest thing in Boston this week is the new musical extravaganza, "Out of This World," presented at the Charles Theatre.

EVEN TIME FOR SPORTS

Sid is no slouch when it comes to athletics. His Princeton years were full of football, tennis, and baseball. However, in his senior year, he reached the quarter-finals in badminton, the semi-finals in tennis, and won the handball tournament. He also won and lost the school backstroke races. Thus for this year he has reached the semi-finals in the tennis doubles and played in the tennis triples.

Sid is making a lot of money in the boxing ring and has the reputation of being a great fighter. He is expected to win the championship of the country in the near future.
