The cast and crew of HELLO DOLLY would like to dedicate this year’s musical to our director Barbara Clement and our music director Anthony Ashur, without whose time, effort, and support, this show would not have been possible.

Dear Friends,

The Babson Players are exceedingly grateful to the Babson College Student Government and those businesses and patrons who have helped finance our musical this year. Without their support, several students would not have had the unique experiences that such a production affords.

Won't you join us in expressing gratitude to these people. From the entire cast and crew, we applaud our generous patrons.

Sincerely,

The Hello Dolly Company
