The passion of baseball has taken you from a game of catch or die to little league, Lakeland High and on to Babson College. It has been delightful to watch you play.

Time flies when you're having fun. Car trips to the mountains and those endless math questions from dad; salamander hunting, fishing at the lake and with those guys in Mexico; skiing and snowboarding, Disney, Bahamas and Mexico.

Now your journey will get even better. You have taken everything to the next level and can take great pride in your achievements. We are very proud of the person you are. With all our love always, Mom and Dad.
Keri Ann Barrett

Congratulations Keri,

We hope your dreams take you to the corners of your beautiful smile, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known.

Love,
Mom, Dad & Brie

Ken, You have reached a meaningful milestone in life and we are all proud of you!

Continue in the direction of your goals and best of luck in all your future endeavors.

Lindsey Watts

To our Lindsey -

We are so proud of the woman you have become and all you have accomplished in your life. Don’t ever give up your dreams and your future will be new and exciting.

Remember Dad and I are always here for you!
To me, Babson College means more than just a three-thousand mile trip across the country, a first move away from home, or a degree in Entrepreneurship. It is more than the two years I spent diligently planning and executing the launch of an Internet company in an industry run amok with turbulence. And, it is even more than the place where I made close friends and long-lasting relationships. Babson College has come to symbolize an inner power - something that enables me to think harder, work smarter, and lead others with more confidence. Two years have passed faster than a NYSE stock ticker, and I now know where I am going, and how I am going to get there.

Remember this is not the end but the beginning of the journey. Understand your purpose of life, keep exploring, have courage and take risks. Be all that you can be.

Love,
Dad, Mom and Isaac

"My Wish" by "Rascal Flatts"

I hope the days come easy and moments pass slow, and each road leads you where you want to go, and if you're faced with a choice, and you have to choose, I hope you choose the one that means the most to you, and if one door opens to another door closed, I hope you keep on walkin' till you find the window, If it's cold outside, show the world the warmth of your smile, but more than anything, more than anything... My wish, for you, is that this life becomes all that you want it to, your dreams stay big, your worries stay small, you never need to carry more than you can hold, and while you're out there getting where you're getting to, I hope you know somebody loves you, and wants the same things too, yeah, this, is my wish. I hope you never look back, but you never forget all the ones who love you, and the place you left, I hope you always forgive, and you never regret, And you help somebody every chance you get, Oh, you find God's grace in every mistake, and always give more than you take.

Heather, Congratulations on your Graduation from Babson College!!! We are so proud of the beautiful young woman you have become. We hope that you pursue all of your dreams with passion and find much happiness in life!

Love, Mom, Dad and Sarah
